Panels:

In our demos Debra uses 6"x8" linen panels. Debra strongly suggests using **linen** panels not canvas panels. Linen is a much better primed surface than canvas panels which draw the oil out of the paint. You will get much better end results with a linen panel.

- LINEN panels. 6x8, 8x10, . paintlikeapro.us/shop Or Whatever you have on hand.

Other important Supplies:

- Tissue (Debra prefers using 'tissue with lotion' from grocery for cleaning of brushes)
- Clorox wipes (for clean up of hands and palette)
- Easel setup with paint palette
