

 AMBER MCCUE

# HOW TO CLONE YOURSELF

## MONDAY

*Overview*

No action required! Enjoy the break... Or get caught up! ;)

## TUESDAY

*Week 3 - Lesson 1*

- Pre-work from week one Get Efficient Prioritization Worksheet and from week two RACI template
- Whip up your [role description](#) using the role description template or just answer these questions to get started:
  - What is your company all about?
  - What is the role all about?
  - Why is this an awesome role for the right person?
  - What will the person do? (Bulleted list)
  - List the metrics/measures of success

## WEDNESDAY

*Week 3 - Lesson 2*

Reflect and answer these questions:

- Are you under investing in your business today?
- Are you over investing in your business today as you think about the value you receive for the service you receive?
- Where do you want to spend high vs. save high as you invest in your clones?
- Brief me on your thinking – remember these are highly personal answers.

# HOW TO CLONE YOURSELF

THURSDAY

*Week 3 - Lesson 3*

Download the [interview questions](#) so you can personalize your interview guide when you are ready to chat with a prospective clone.

In the meantime, reflect and consider:  
What characteristics do you want your clone to have.

E.g., Fun, funny, get it done at all costs attitude, a problem solver...
