Look what I'm reading on my way to Nashville. Thank you Francis.

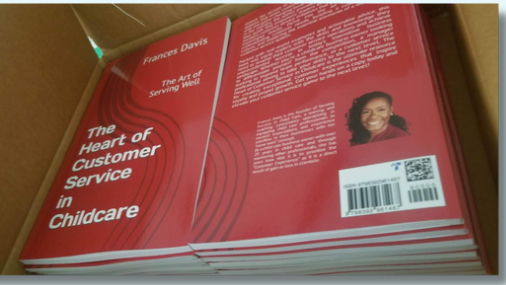

Deborah Rivers Sanders
It is definitely not a book for the shelf. This is a book that every childcare center or business owner should obtain. There are so many nuggets to help one to improve in business in several ways. Thanks Coach Francis!! Thank God for this info before I actually open my center.

Thank you mother **Frances Davis** I received my book last week before my trip, and I pack it along with a few other books. Soon as I started reading you brought tears of joy to my eyes 🙏 Thank you so much for your kind words and thoughts. means a lot God bless you,
Keep being you ❤️🙏🙏🙏
Im so grateful, can't wait to maximize customer service into my business and ministry... Love you
