

## MY IDENTITY IN CHRIST MEDITATIONS AND DECLARATIONS

Knowing your identity as a believer in Christ is crucial. Your life's activities, major and minor decisions are founded upon who you believe you are today. Your brain cannot go any further than you take it in this. Therefore, training it to believe who God says you are will result in better decisions, responses and actions in every day life.

This worksheet provides meditations that can also be declared into helping know your identity in Christ and meditating on Him, to train your brain into growing deeper in Him, to have His mind and living His Word.

Using the verses indicated, fill in the blanks for meditation. Meditate and believe God in each one. Write a note to yourself in the space provided. Speak it over your life every day as a practical way of living in Christ as has been taught in this module.

Know who you are and standing in your identity in Christ, will mean being more than a conqueror in any situation including:

- grief
- divorce
- recession
- mental health
- job loss

Doing and living this serves as a powerful way to affirm your faith, align your thoughts with God's Word, and develop a deeper walk with Him.
