## Painting Panels

Debra strongly suggests using **linen** panels vs canvas panels. Linen is a much better primed surface than canvas panels which draw the oil out of the paint. You will get much better end results with a linen panel.

- **Buy at least 3- 6x8 LINEN** panels. See Debra's supply list online at <https://debra-huse.squarespace.com/supplies>  
[Kingofframe.com](http://Kingofframe.com) offers HUSE **linen 6x8 panels** made by made Fredrix-and great HUSE deals on **frames** for your finished 6x8" paintings. [CLICK HERE.](#)
