SPANISH

Ocho frutas de colores
hoy te vengo a presentar.
Cada una diferente
muy sabrosa estará.

Manzana, manzanita,
una fruta rica y es rojita.

Naranja, naranjita,
es jugosa y amarillita.

La uva, moradita,
ligera, pequeña, pequeñita.

Y la pera, que está verde,
si la comes tendrás mucha suerte.

Banana, bananita,
es suave y amarillita.

Fresa, la fresita,
es alta en vitaminas.

La sandia, verdesita,
por dentro es rosadita.

Y el kiwi, si lo muerdes,
veras que por dentro es verde.
