

Paints:

1, 12 -24 pan watercolor set. I prefer the Rembrandt luxury pocket box or similar but any artist quality brand is fine. Any set that has at least 12 colors will have every color you'll need to do this class.

Brushes:

1 round brush such as a #6 or #8 or a dagger brush.

Paper:

1, 9" x 12" or similar size watercolor paper. There are so many great brands, I like 140lb cold pressed the best, it's a medium tooth surfaced that is heavy enough not to buckle when wet.

Drawing Materials:

1 #2 pencil + white Plastic eraser.

Also, a few paper towels and a small, unbreakable water cup
