

# ASL Made Simple & Easy

## **ASL Bundle Progress Chart**

### WHAT IS THIS PDF?

- This PDF document contains the complete collection of all American Sign Language (ASL) courses included in our [ASL Bundle](#). Use the clickable links in this document to explore our sign language content and access courses.

### IMPORTANT!

- Our ASL courses can be taken in any sequence or order. Each individual course is independent and contains all required sign language content to successfully earn the [Certificate of Completion](#). Feel free to jump around between courses.

### BRAND NEW TO ASL?

- Great! The next page has a “suggested” order of study to help you jump in and start signing right away. You’ll see these courses numbered as 1, 2, 3.
- It’s helpful to first peek at the Intro & Info course to share your story, learn about the instructor, and get acquainted with navigating the [ASL Bundle](#).

### HOW TO USE THIS PDF

- Print the the following pages. Check off the courses as you complete them and earn [Certificates of Completion](#). Sign. Smile. Be Delighted.

### THE LINKS

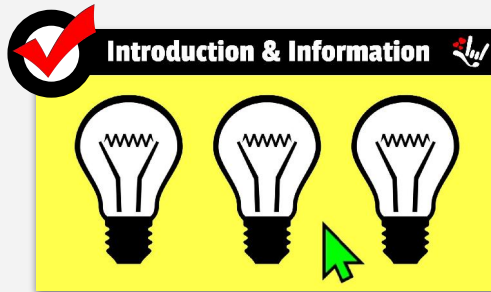

- Use the blue clickable links below the course images to access the courses.
  - If you’re [logged in](#), the links will bring you directly to the course curriculums.
  - If you’re not logged in, the links will bring you to the course preview pages.

### DIGITAL DOWNLOADS

- The ASL Digital Downloads course includes printable coloring pages, font, eBooks, greeting cards, and more. Enjoy!
