Lee did not sleep at all. Tomorrow is his first day on his new job. Lee woke up early and his wife, Sue, is awake. "What do you want to wear to work?" asked Sue. Lee said, "My new shirt with a tie. I do not need a tie but I want to look good on my first day." Sue gave Lee a box. Lee smiled when he opened it. There was a new tie in the box. "Thank you, Sue," said Lee and gave her a kiss. "Good luck," said Sue as she smiled. "You will do very well on your new job."
