## Goldilocks Part 1

by Richard Graham

I'm hungry!

That's too hot!

That's too cold!

That's just right!

I want to sit down!

That's too big!

That's too small!

That's just right!

I'm tired!

That's too hard!

That's too soft

That's just right!

I can say ...

It's ....

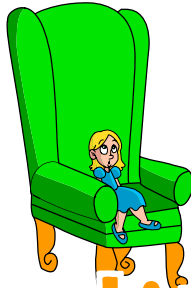

too hot

too cold

just right

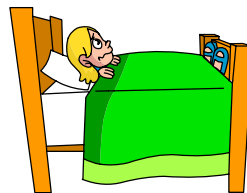

too big

too small

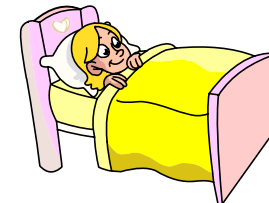

just right

too hard

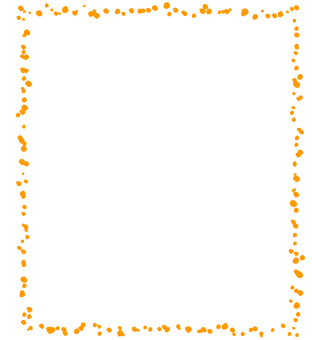

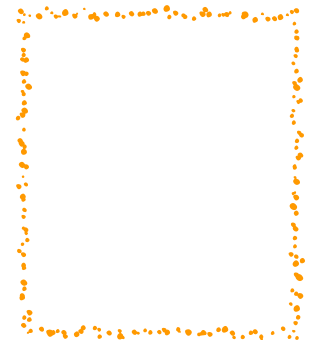

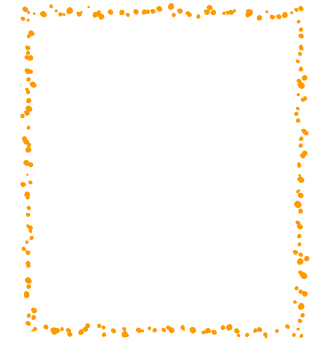

too soft

just right

I can sing

Draw your favourite  
food, chair and bed!
