

Jellybean Jamboree

Story by Guyla M. Vardell
Illustrations by Norman Taber

2 Just inside the door
of the candy store

is the jellybean jamboree.

When we open the hatch
and pour out a batch,

it's fun for all to see.

Jellybeans bump
and jellybeans jump.

Jellybeans ride
and jellybeans slide.

Jellybeans hop
and jellybeans drop
at the jellybean jamboree!
