

# CALM SEAS

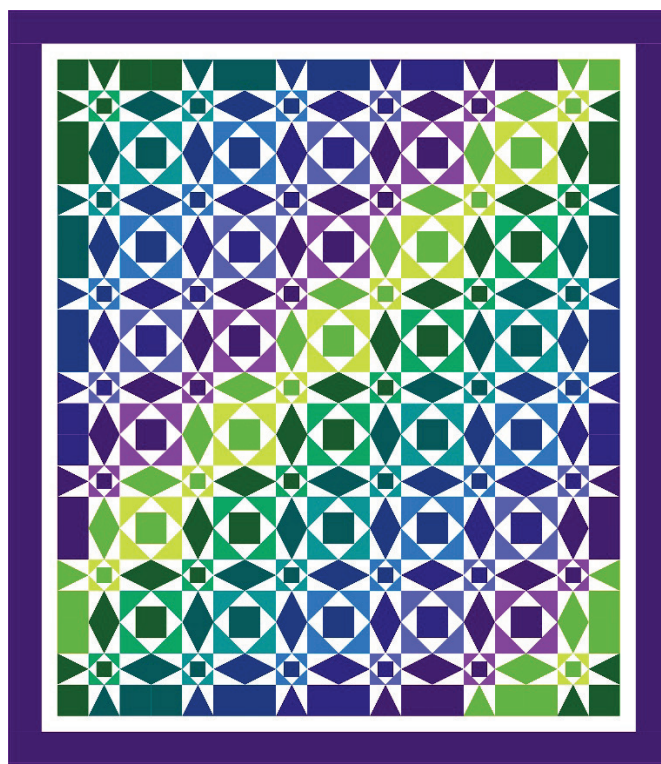

Michelle Renee Hiatt - Instructor

Welcome to the Calm Seas class. Michelle's design puts a modern spin on the typical Storm at Seas quilt layout. Michelle used 12 graduating colors (6 colors in 2 different tones) which gives it that calm smooth feeling.

If selecting the Throw or Double, this quilt works great with Solid, Tone on Tone or Batiks fabric. If selecting the King; consider some large prints, it is perfect for showing off those large florals! Pattern includes 3 size options (Throw, Double, King) and you will be amazed how easily this quilt comes together with the right tools!

Calm Seas requires Deb Tucker's Large Square Squared™, Diamond Rects™ and V Block™.

## FABRIC REQUIREMENTS

Notes on Fabric Selection: Watch the online video once you enroll.

- All sizes are made up of Background fabric and 6 different colorways, 2 shaded within each color way. Total of 12 Fabrics plus background.
- While Michelle calls out the colors, she elected for her cover quilt, in the fabric yardage, feel free to elect your own 6 colors for this quilt. Michelle referenced them so you could identify them on the image. Ideally, selecting 6 colors on the color wheel next to each other.
- Michelle selected one of her darks for her Outer Border. However, the yardage is listed separately, so that you can decide what you want to select for your Border.
