

## THE MAGIC OF THINKING RICH DAY-5 SUMMARY (ENGLISH)

The Magic of Thinking Rich Season-4 Day-5 by Coach BSR begins with the testimonial videos and information on all updates in detail. visit Page <https://www.askbsr.com/live>

BSR starts the session with powerful round of celebration on **“Soch se hum takdeer badal den..”** song followed by BSR Sir’s signature move “Shake your body and say YES”

**“Ab Bada Soch Raha Hai India”** and this premium workshop **“Magic of Thinking Rich”** is reaching the maximum people free of cost.

BSR Sir shares a few feedback from people whose life got transformed by attending The Magic of Thinking Rich previous season.

BSR Sir shared how to train our Subconscious Mind. We can not delete old beliefs from our subconscious mind but we can add new programming into it.

### **Law of Attraction:**

BSR Sir explained about the Law of Attraction and how it works.

**“Dene wala jab bhi deta deta chappar phaad ke”**

Law of attraction says that our subconscious mind can attract anything and everything.

When we focus on something we get results out of it.

## **Where focus goes, energy flows, FOCUS=RESULTS**

BSR Sir asks if we believe in miracles and concludes that magic happens.

## **When Logic Stops Magic Begins**

BSR Sir shares his miracle stories about his training career and the achievements of Law of Attraction.

BSR Sir explains how Goals can be achieved by learning the Science behind the Law of Attraction.

When the subconscious mind is in proper alignment with the conscious mind, we get results.

We have 24 hours in a day. Daily if we dedicate 1-2 hrs for our subconscious mind and the rest 22-23 hrs for the conscious mind, the desired results can be achieved very easily.

BSR Sir shares his experiences of achieving all his goals using the proper science behind the Law of Attraction.

With the help of the example of a radio BSR Sir nicely explains that everything is already present in the environment, we need to reach that frequency to achieve what we desire, the same as we tune the radio frequency to listen to our choice of song. We are connected to everything in this Universe and we just need to tune in to our frequency.

## **Change the frequency to change the result.**

BSR Sir shared an incident of how Law of Attraction healed a cancer patient in Jaipur some years ago. Sunil Kumar Sir shared his video where he was rejoicing and dancing after his chest cancer got healed. This happened as BSR Sir motivated him to take charge of body, give story to his communication to heal (BSC) and the miracle happened in 6 months time.

**Announcement:** visit Page <https://www.askbsr.com/live> for all updates.

BSR Sir shared a personal example of Law of Attraction where he attracted 400 students to teach memory enhancement. How the signature turned into the autograph.

Another example of Law of Attraction where BSR Sir attracted the same model of camera that he desired. He received it as a gift from a friend who came from Germany in sister's marriage.

Example 3: In a restaurant if you order "paneer tikka", the waiter will serve paneer tikka only. Similarly in the universe everything is there, you ask and the universe gives you.

BSR Sir explains the **Law of Energy from Quantum Physics**. Energy can neither be created nor be destroyed, it can only be transferred. Energy is only one. God is energy, You are also energy, that means **You are God**.

Energy = God = You
