

LUXEMBOURGISH A1 FOUNDATION

This Study Guide is just one component of the
A1 Foundation
course structure.

Each chapter lesson is accompanied by:

- **Video companion** class time with Anne highlighting grammar, vocabulary and pronunciation elements of the chapter, mini quizzes will help ensure you are keeping up with the content.
- **Audio companion** covering all the dialogs presented in the chapter. These will work your pronunciation and listening comprehension skills.
- **Quizlet** vocabulary and phrase sets. This online app provides automated flashcards with audio that facilitates vocabulary acquisition along with pronunciation (ensure you *fullscreen* the cards to enable the audio component). Look for the loudspeaker logo in the top right hand corner of each flashcard.
- **Chapter Quiz** to check your understanding and highlight any areas for review. The link is available in Teachable to track your progress.

As a student of the **A1 Foundation** class you are invited to post any questions you have about exercises, course content and the language directly on **Teachable** in the comment section of each chapter. Exercises can also be posted here for feedback.

LOD.LU

Google translate is not yet a reliable source for the Luxembourg language. Instead head over to **LOD.LU**, the Luxembourg Government's online dictionary - an invaluable tool to help you on your new journey!
