

LESSON 15:

What is your group definition of a house rule that everyone follows?

Describe a recent time you negatively reacted to a student based on what you thought “all” students should be doing?

How might you have used their strength to restructure problem behavior?

How can you use your own life lessons to guide discussions with students?

TEACHERS WITH A JOYFUL MINDSET RECOGNIZE INDIVIDUAL DIFFERENCES WHILE
MAINTAINING HOUSE RULES THAT GUIDE THE ENTIRE SCHOOL.
