

## TAROT AND ORACLE CARD MASTERCLASS

Learn to read cards within an hour for beginners or those of you with no confidence!

Thank you for joining the masterclass. If you cannot join, the replay will be in the Facebook group for one week only. This way you can keep practicing and using the tips I will give you in this special hour. I will show you the top inner resources and outer skills you need to read the cards successfully.

My name is Sinead Fine and I have been a professional Tarot reader since 1997. I have read for thousands and taught hundreds and one thing I know – women have an intuition. That means you do too! So today I am going to show you how to read the cards instantly. How cool is that?

Now it is also the week leading up to **Black Friday the 26<sup>th</sup> of November** and I usually do not do sales around this time BUT since I am giving a free masterclass I **have an offer for you.**

If you like this masterclass and you want to go to the next step I am selling my Easy Oracle Cards entire program for \$97

## **MORE ABOUT ME**

My name is Sinead Fine, creator of Tarot for Women.

I empower sensitive women to connect with their intuitive powers using Tarot, so that they can transform their own lives and positively impact the lives of others.

I have many passions in life but Tarot, the Divine Feminine and reverence for Mother Earth are foremost in my thoughts every day.

My mission in life is to guide women like you towards self-empowerment and a super strong intuition with the Tarot cards.
