Alon Cooper

# The Beginners Guitar Chords Cheat-Book

# Welcome!

I hope this resource would be helpful to you on your guitar journeys. You can print it and bind it as a mini-book that you can always reach out for and learn some new chords, (any office equipment store would happily do it for you for 5-10\$!) or just keep it on your computer desktop and access it whenever you wish.

**Best!**

**-Cooper**

## How to read the chord charts?

**Chord name**

**Special info**

**First relevant fret**

**Muted string - don't play this one**

**Fingers numbering**

The diagram is shown "upside down" - to resemble how it looks like from *your* point of view when you are playing.

# Beginners - First Chords to Learn!

Just by learning these 10 chords (along with strumming patterns and the other things that bring those songs into life, which you can learn all about right [here](#)) - you'll be able to play almost all of the songs that you'll ever encounter.

C

G (Beginners version)

D

Dm

E

Em

A

Am

Fmaj7 \*

F (Beginners version)

\* (Until you'll be able to play a full F with a barre - you can play this instead - and usually it will sound fine) If you can already play the "Beginners F" - so it will sound even better!

# Beginners: The 2nd batch of chords to learn (Page 1/2)

**G7**

**G (Fuller Sound)**

**A7**

**Am7**

**D7**

**Dm7**

**F (Barre version)**

**Fm**

**Bm**

**Bm (Beginners version)**

# Beginners: The 2nd batch of chords to learn (Page 2/2)

**E7**

**E7 (Fuller Sound)**

**Em7**

**Em7 (Fuller Sound)**

**Amaj7**

**Dmaj7**

**D4 (also called Dsus/Dsus4)**

**D2 (Also sometimes called Dsus2)**

\* "Sus" is short for "suspended" - a certain type of chords.

**F#**

**F#m**

# The Guitar Super-Course: Play YOUR Favorites

Are you tired of the fact that you're still struggling to play your favorites songs in a smooth way, and without it feeling like WORK instead of PLAY?

Join me for the flagship Guitar Songs Masters Super-Course, where I will teach you everything you need to know in order to play your favorites - just like how they are originally played on the recordings, while using YOUR favorite songs along the process.

Even if you're not a complete beginner but you still have some issues in your song-playing, this will solve them all.

Use the coupon code CHORDS111 to get 30% off the course (while the discount lasts): [Link](#)

*"I took up the guitar at age 66 so it's never too late! Alon's course is delightful in getting you to play songs faster than any other guitar course I know. Quick Gratification, YES! There are many good guitar courses out on the net that are oriented for the patient individual who is willing to invest one or two years to tediously and methodically learn the guitar basics in excruciating detail, BUT . . . Alon's alone gets you to play your personal favorite songs immediately."*
