

# The Cheat Sheet

## Compliment & Complement

### Compliment

Praise; a positive comment.

Example:

"You are awesome!" is a wonderful *compliment*.

To praise or comment positively about someone or something.

Example:

*Compliment* your date on what she's wearing; she'll appreciate that.

### Complement

Something that completes or enhances the quality of something else.

Example:

This new function is a *complement* to the rest of the app's features; it will make it more user-friendly.

To complete or enhance the quality of something else.

Example:

You look good; that shade of blue *complements* your complexion.
