

INSPECTION & REFLECTION

#3

Answer the chapter questions below. Once complete, turn to a colleague that has chosen the same chapter and share your answers, notes, and thoughts. Option: Report to larger group. (10 minutes)

#1. How often do you think that you and your students share a laugh each day in class?

#2. Can you really create moments of humor and laughter for pedagogical purposes or is it a lost art when comedy is forced?

#3. Can you think of a movie or TV show that uses comedy related to your subject area? Would you use comedy video clips in class to promote learning?

#4. Record a time where you laughed out loud in class when you were a K-12 student.

#5. Think of a "funny teacher" that you had in your K-12 school years as a student. Did that teacher make learning more interesting?
