Love Valley

NEVŞEHİR

- One of the most well-known cities in Türkiye
- Also known as 'Cappadocia'
- It has a huge underground city named 'Derinkuyu' which was discovered in 2014
- There are interesting mosques, churches, chapels, and monasteries
- a place where 429 registered historic structures and 64 protected areas belonging
- with 10 different civilizations, placed in UNESCO World Heritage List.

Menu
Pottery Kebab (sealed)
The best is made in Cappadocia.
Ingredients: Lamb or beef, tomatoes, garlic, onions, green peppers, chilly, seasonings

Mantı

The dough is made with the same ingredients as Italian Ravioli. However, seasoned minced meat is placed in very small pieces of dough.
