Archaeology/Geography

THE ORIGINS OF THE IRISH

J.P. Mallory (Thames Hudson 2013)

This is a very interesting book – a lot of archaeological evidence, but it's very readable.

Amplify Archaeology is a podcast that features a series of interviews with a number of Ireland's archaeologists and specialists, to discuss the key periods, themes and stories and the different types of sites and artefacts that can tell us how people lived in the past. The podcast below is about the neolithic passage graves of the ancients, but they have many interesting podcasts on archaeological history
