

MWG Courses Checklist

Before you begin any course, check out this essential checklist to get the most out of any lesson, chapter, exercise, and MWG course.

Give this checklist a quick look before and after working on any MWG course to make sure you're setting and hitting your goals in the practice room.

How to Get the Most Out of Each MWG Course

- Start with chapter 1 and progress through to the final chapter.
- Hit "Complete and Continue" after any chapter to track your progress.
- Use the Practice Log, found in every chapter 1, to set goals, track progress, and review growth with any course.
- Watch the video lesson first in each chapter for essential info.
- Slow down or speed up any video if needed.
- Download PDFs, audio, and backing tracks to practice offline.
- Complete quizzes to test your knowledge and skill retention.
- Upload an unlisted YouTube playing any exercise for feedback from Matt.
- Join the [MWG Private Facebook Group](#) and be inspired by other member's video submissions or upload your own for feedback and encouragement.

What to do When You Complete a Course

- Review your Practice Log to check your progress after completing a course.
- Check out the [success paths](#) to know where to go next in your studies.
- If you need help or guidance, email Matt at matt@mattwarnockguitar.com or send a Live Chat (orange circle in the bottom right of your screen).
