## Unique and fun Spiro Design Wizard

One of the 12 special Wizards is the brand new Spiro Design included in mySewnet™ Platinum. This feature lets you enhance your projects with swirling geometric designs — perfect for Quilt patterns!

FIRST & ONLY

## On demand embroidery with a flexible subscription

Your software is always kept up-to-date with the latest and greatest. New functionalities are continuously added and updated automatically. Downgrade, upgrade or cancel any time. Extend your creative range further with one of the mySewnet™ compatible mobile device apps.

FIRST & ONLY

## Ribbon Embroidery

With the mySewnet™ Platinum Subscription, you can now create your own ribbon embroideries, drawing the shape your design needs. With free-hand, built-in shapes or super designs, the result is always great. Choose from an extensive array of options using the industry's only ribbon embroidery attachment\*.

FIRST & ONLY

## mySewnet™ Library

Search our ever growing cloud-based curated collection of more than 5,500 designs seamlessly across multiple devices. You have access to the embroideries whenever you feel inspired — 24 hours a day, 7 days a week\*\*. Use filters, or search by words. Send your selected design directly to either your embroidery software or sewing machine.

\*Requires creative™ Ribbon Embroidery Attachment or HUSQVARNA® VIKING® Ribbon Embroidery Attachment.

\*\* Requires a mySewnet™-connected embroidery machine.

FIRST & ONLY

## One of a kind ribbon designs

Design bold and beautiful ribbon embroideries using the embellishment feature. Combine with traditional embroidery designs for a truly original result.

## Monograms and labels

Design professional looking labels combining letters and monograms in a font of your liking. Add frames in one of the many styles for a finishing touch.

## Let your creativity sparkle

To embroider Spiro Designs in metallic threads is a great way to add a striking dimension to your garments or quilts.

## Top quality Stitch Editing

Enjoy the best editing and customizing tools to transform any design to your liking with mySewnet™ Platinum. Split, edit and combine embroideries with beautiful end results — the perfect complement to digitizing your ideas.

## Explore artistic Letterings

Create your own custom shapes using the Draw & Paint module within mySewnet™ Embroidery Software. Then, with Word Sculpt, choose words to fill-in the shape to convey your idea. Add creative energy and distinct personality by changing outlines and choosing different fonts.

## Digitizing made easy

The Platinum subscription lets you digitize with three great options: Quick Create, Freehand Create, or Precise Create. Have more fun, optimize your creative approach, and complete each project in less time.

## Fun projects right at your fingertips

The Wizard features Project in the Hoop and so much more to get your gift ideas going.
