

What is Your Ideal Scene for Your Retreat? Describe it in the present tense with as much detail as possible. When Finished, write at the bottom, "This, or something better, now manifests for me and my clients in totally satisfying and harmonious ways, for the highest good for all concerned"

A large, empty, rounded rectangular box intended for writing the response to the prompt above.

# Run Rich Retreats

## MENTORSHIP EXPERIENCE WORKSHEET

Create Your Retreat Mood Board:

Create a Pinterest board for your retreat based on the visualization practice of your ideal scene. Include your brand colors, pictures of an ideal location, space, food, experiences, etc. Here's an example of mine:

Based on the previous assignments, what elements are needed for your retreat? Ex. Ocean, forest, luxury, simple, etc.

How many people do you see in this space?

What do you imagine the flow (itinerary) to be?
