

Story Cube: Write it

EXAMPLE: Story Cube (Option 1)

A high proportion of organisations fail within the first 5 years, some say as much as 90%. We also know it's tricky to explain what you do in an engaging way and understand how important a good story can be to help you collaborate, pitch and sell with ease.

Based on face to face sessions with over 500 organisations and over 30 years combined experience whilst working at the coal face in branding we have developed Story Cube - the online course to help entrepreneurs better explain what they do. Enrol now and discover the formula you need to tell your story successfully and succinctly.
