

SFS Modes 2 - Horizontal Connections

Lesson 1

Practice Steps:

1. Play A Aeolian using SF1 and SF4, experimenting with different ways of connecting between them. Map this on every string, using the A as a root note:

Root Location:	
String:	Fret:
6	5 & 17
5	12
4	7
3	2
2	10
1	5 & 17

2. Improvise in A Aeolian, again using these 4 notes, on every string (watch the included demo first):
 - Use an A Aeolian backing track: <https://youtu.be/PAJwa7kv-JE>
 - Try to use different improvisation ideas:
