Digital Scrapbooking Mastery, No. 2

3 Ways to Finish Strong

Manual © 2019 Jen White

- Begin in Adobe Photoshop or Expert Mode of Photoshop Elements.
- Open the scrapbook page (File > Open) that you ended with in Lesson 12.

Note: I wouldn't recommend cropping your document until you have completed all the Archiving videos for this class.

Crop Your Page

- Press Ctrl A (Mac: Cmd A) to select the entire document.
- In the Menu Bar, choose Image > Crop.
- Press Ctrl D (Mac: Cmd D) to deselect.
- Save your page (File > Save).

Get Your Certificate!

- Complete the entire class curriculum.

Note: Lectures that are marked complete will be grayed out [in the curriculum view](#).
