HONORING

STELLA NSONG

RECIPIENT OF THE 2015 WOMAN OF ACHIEVEMENT AWARD

PRESENTED BY THE WOMEN'S CENTER AT LAKELAND COMMUNITY COLLEGE

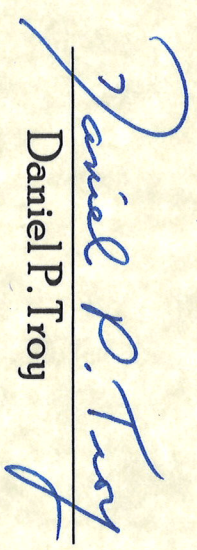

The Lakeland Community College Women's Center embraces a mission to encourage and support women in their quest for quality education, economic opportunity and community involvement.

The Lake County Board of Commissioners joins the Women's Center in celebrating *Women Rising*- those who rise against great odds, who accomplish feats large and small to benefit women, who serve as an example personally and professionally for women, who promote initiatives that support women and who dedicate their time, talent or position to make a difference in the lives of women.

We commend Stella Nsong for serving to inspire other women to grow professionally, personally, socially and spiritually.
