Fabric Requirements

A post-card sized project doesn't require much fabric, so scraps are perfect! Make sure to have a good selection of background fabrics, fun shell fabrics, and bodies for the snails. This may vary based on each student, so be sure to surround yourself with beautiful scraps! Please note that all fabrics are assumed to be 100% cotton and non-directional!

Tools that we'll discuss in-class

Feel free to gather these if you already have them, but they aren't required for class!

- Lightbox (Suggested, but not required)
- Add-a-quarter ruler
- Binding Clips

I look forward to seeing you at class! If you have any questions in the meantime, please feel free to email me at rachel@rachelrossi.design
