

Workshop Two: Sustainable Development Policy for the ISO 20121:2012

Clause Numbers	5.2 Sustainable Development Policy
Objectives	To understand how the current business Sustainable Development Policy either meets or does not meet Clause 5.2 and what would need to be added to ensure that this clause is met. <i>If you do not have a current policy use this time to draft one up.</i>
Task/Output	<ol style="list-style-type: none"> 1. In the group review the current Sustainable Development Policy and check if it is: 2. Appropriate to the purpose and context of the organisation, including the nature, scale and environmental impacts of its activities, products and services. 3. Provides a framework for the setting of sustainable event objectives 4. Includes a commitment to ensure the availability of information and necessary resources to achieve objectives and energy targets 5. Includes a commitment to fulfil its compliance obligations 6. Includes a commitment to continual improvement of the SEMS to enhance sustainable event performance 7. Be maintained as documented information 8. List how is it communicated within the organisation? 9. List how is it available to interested parties?
Questions to consider?	What changes would need to be made to the current Sustainable Development Policy to meet the requirements above?
	Who will make the changes and sign them off?
	How will you communicate the Sustainable Development Policy?
