Digital Scrapbooking Mastery, No. 1

Choosing Color Swatches

Manual © 2019 Jen White

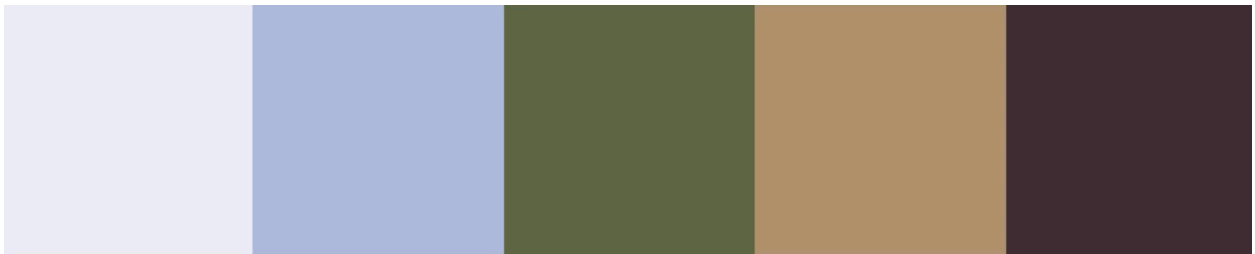

- Go to <https://color.adobe.com/explore>.
- Login with your Adobe ID.

Search by Category or Keyword

- Click on the dropdown menu and search for swatches by category.
- Click inside the search box and search by keyword.
TIP: If your chosen swatches do not match the photos you are using, turn the photos black and white.

Search by Photo Upload

- In the Menu, click on Create.
- Click on Import Image.
- Navigate to a photo you'd like to use for the scrapbook page we are creating for this class and click Open.
- Click on the dropdown menu to see the color swatches matched to your photo.

Save Color Swatches

- Click Save Color Theme.
- In the Actions panel, click on Download .ASE File.
- Save the file in an easy to find location on your computer.

The photos and swatches I'm using are available in the Downloads.
