

# LIST OF MATERIALS YOU WILL NEED

**Paper** – Cartridge paper is good for practicing on, but not great if you are producing something that you spend lots of time on. You can also use hot press watercolour paper. If you would like to use better quality paper, then I recommend Pergamenata. Below is a link to a supplier in the US if you cannot purchase this locally  
[https://www.johnnealbooks.com/prod\\_detail\\_list/s?keyword=pergamenata](https://www.johnnealbooks.com/prod_detail_list/s?keyword=pergamenata)

**Pencil** – I prefer a mechanical pencil with 2B leads, but a regular sharp pencil will do

**Eraser** – a clean white eraser or a kneadable one can be purchased from art or office supply stores

**Ruler** – a regular 30cm ruler with a bevelled edge

**Paint** – gouache.

I like to use Winsor & Newton, but these can be expensive for beginners as they are sold as individual colours. You can purchase cheaper sets for practicing on, but they may not come with the exact colours that I am using and will give you slightly different results.

For this project I am using the following colours,

White, alizarin crimson & violet

**A fine and large steel nib and handle**

These nibs can be called a crows quill, or a mapping pen

**a small container or jar**

**a compass**

**Jar with water**

**Some paper towel**
