Illustrating a Caticorn Checklist

There are 8 steps to creating an illustration like what you see below.

Print this checklist so you can tick each lesson as you finish it.

1. Creating a simple sketch. ☐
2. Transferring it to Adobe Illustrator. ☐
3. Drawing the outline. ☐
4. Color the illustration. ☐
5. Add shadows. ☐
6. Add a background. ☐
7. Save Swatches. ☐
8. Save your illustration in the right format. ☐

Lets begin!
