

# What Should You Teach?

---

---

---

---

---

---

## Overwhelmed yet?

- Tons of scientific research
- Hundreds of books
- Thousands of online resources

It would take you hundreds of hours to go through all the information.

---

---

---

---

---

---

## I've done the work for you

---

---

---

---

---

---

# The 5 Pillars of Money

4

---

---

---

---

---

---

1

# How To Work

Learning To Earn

---

---

---

---

---

---

2

# How To Be A Savvy Spender

Needs vs. Wants

---

---

---

---

---

---

3

## How To Be a Smart Saver

Getting what you really want

---

---

---

---

---

---

4

## The Gift of Giving

It always comes first

---

---

---

---

---

---

5

## Money Isn't Everything

It's important, but not everything

---

---

---

---

---

---

## Taking Action: Reflect & Plan Ahead

- Think about what you've learned and potential roadblocks ahead
- What can you do to overcome them?

---

---

---

---

---

---

## Next Session: How Should You Teach It?

---

---

---

---
