(ahem, I mean 10! wait, what happened to 9?)

Welcome to Windows 9

(ahem, I mean 10! wait, what happened to 9?)

1) Do you think Windows 10 is a big deal?

Explain: is Win10 just a bunch of hype?

2) Why do you think Microsoft skipped over Windows 9?

Welcome to Windows 9

(ahem, I mean 10! wait, what happened to 9?)

3) What's your favorite version of Windows and why?
