

## PARENTS FOR LIFE

Whether our children are infants or adults, once we have them, we are parents for life.

Unfortunately, most of the time as parents we learn as we go. We learn from relatives and friends, from books we read and videos we watch, we learn from radio and television and mostly we learn that we really don't know much about what we are doing.

**Parents for Life is a nine-week parenting course for married couples - nine weeks that will change your family forever!!**

### YOU WILL LEARN ....

- How the way you were parented affects how you parent.
- How to forgive and let go of childhood woundings.
- How to prevent making the same mistakes with your children.
- Why a child needs two parents.
- God's plan for husband and wife as a parenting team.
- Why moms can't be dads and dads can't be moms.
- How God uniquely creates each child.
- What is your child's personality and gifting?
- How to best help each of your children develop uniquely?
- Which comes first teaching or training?
- How to train children to obey immediately.

- Why early training makes a difference throughout life.
- What is each child's learning style?
- How to make learning enjoyable.
- How parents teach 24/7.
- How to agree on what discipline is appropriate.
- How to recognise reactive discipline.
- How a child's temperament determines the best discipline.
- When to begin letting go.
- Why we are parents for life, not parenting for life.
- How to co-operate with God's plan for each of your children.
- Each parent's role in developing healthy adults.
