Customer Service Representative Certificate

**Customer Service Representative Certificate
Course for Non-College Bound Students**

Why consider becoming an inbound CSR to start your career? | What is in it for you? | What is the CSR job a smart choice post COVID?

- This course helps you **pivot faster** from being a student to working in a **corporation**, starting your career, making a nice starting salary, and enabling you to start achieving your personal goals.
- Plus, **you are training for jobs in the documented #1 corporate job category in the world with the “most advertised/posted” jobs for non-college-bound**

students in a category that traditionally hires students with just a high school diploma, per Careerbuilder.com data. (2011 – 2020)

- **The “Customer Service Representative Certificate” specifically targets entry-level jobs for non-college-bound students paying between \$20,551 - \$41,144,”** per Payscale.com. (4/11/2020) Salary.com numbers are higher. (4/15/2020)
- More and more Inbound CSR jobs are work from home to give you more family flexibility and save on transportation costs.

Mike knows what makes CSRs good and what makes CSRs great.

- After 24 years of working with and managing CSRs for a Fortune 50 company and several years for a smaller company, Mike knows what makes CSRs good and what makes CSRs great. On the weekend, train to be a professional CSR and get a Customer Service Representative Certificate to start your business life faster and more easily. **Perfect for non-college-bound students.**
- **The investment into this training will help you the rest of your life.**
- **Value Proposition - If you pay \$500 for this course, and it helps you make \$20,500 to \$41,000 in just your first year, that is a stunning and cost-effective deal for you.**
- Getting a 15% ROI in the stock market is really good. **Since the investment is so low, that is a 4,100% ROI to an 8,000% ROI. That is just Outcome #3 of this course. The course Transformation is even better.**

- **How much? This is a smart investment in yourself. This course is designed to more than pay for itself. Plus, you can pay 11 payments of \$48 instead of the \$500 (actually \$497). This is a No Brainer. Give it a try!**
- **Not sure yet?** Take over 15 of the lessons for free to see if this is for you? I'm making big claims. I KNOW I can back it up. I just can. You be the judge to see if you think this course can pay for itself or not AND get you started in your career faster in this job market.
- **I'm excited for you.** I KNOW I can help. This is the real deal.
- **30-day money-back guarantee is included.**
- Try the 15+ free lessons with actionable business training to see if this is for you.

Legal Disclaimer – You will have to read legal disclaimers on most every call you will be on for the rest of your career. Here is mine. This course helps you specifically target entry-level inbound Customer Service Representative 1 (one) jobs for non-college-bound students. There is no way I can guarantee you will get a job offer in the Payscale salary range, Salary.com salary range, or any salary range. Plus, like most any training or college degrees, I cannot guarantee you will get any offers at all. However, these are real and actionable business skills designed to give you competitive advantages in the interview process and on the job.
