

TUTORIAL SUMMARY & SUBMISSION INFO

This document outlines your tutorial and bonus credit activities for CMTE/CPD credit. You may submit this document with your certificates if you wish.

Overview

1. Introduction, overview and learning outcomes
2. History of the ukulele: Where did it come from?
3. Ukulele sizing and tuning options: And what to look for when buying your ukulele
4. Ukulele chords: Formation, voicings & inversions
5. Left hand basics and essentials: Chord literacy, fingerings, vamps, capo & slide, guitar techniques, open & closed chords
6. Right hand basics and essentials: Strumming and fingerpicking styles
7. Summary & bonus content

Learning Objectives

- Increase your knowledge of the ukulele
- Better understand how you can use the ukulele
- Develop more confidence in using the ukulele in your clinical work
- Be able to support your clients to learn/play the ukulele
- Expand your left hand (chords) and right hand (accompaniment) skills to keep your playing varied and interesting

Tutorial Summary

This tutorial from Dr Robert Krout is a fun and engaging look at using ukulele in your clinical work. Starting with a brief history of the ukulele's origins Dr Krout discusses the different styles and sizes of ukulele available and demonstrates their sounds and uses. Dr Krout covers the most common keys and provides useful chord graphs to help you learn your ukulele chords. Robert provides an in-depth look at both right and left hand techniques on the ukulele. Covering basics such as voicings and inversions to the more complex accompaniment patterns, using capo's & slides to using vamps to make your playing more musically interesting and engaging for your clients (and you!). If you're sick of using the same old techniques and chords on your ukulele, or if you haven't tried the uke in your clinical work yet - then this tutorial is perfect for you. Robert has included a heap of extra resources for you to develop your skills further and the tutorial closes with a summary and 3 bonus content activities to extend your learning and earn extra CMTE/CPD credits.

Submission for CMTE/CPD Credit

When you finish watching the online tutorial you will automatically receive a certificate of completion to verify that you have successfully completed the tutorial. You will need to watch ALL the video's to receive your certificate. You can submit this to your CBMT/CPD organization as a professional development activity. For MT-BC's in the US and Canada you can submit your certificate in the workshops/independent learning category as an 'other continuing education opportunity'.

Bonus Content Activities

WORKBOOK

If you completed the workbook as a bonus content activity, send it to jacinta@musictherapyonline.org for verification. You will receive a certificate of completion for 1 CMTE/CPD credit.

UKULELE PROJECT

If you have completed the Ukulele Project as a bonus content activity then you can send your completed project to jacinta@musictherapyonline.org for verification. Once your submission has been verified you will be emailed a certificate of completion for 1 CMTE/CPD credit.

SUPERVISION

If you have completed 1:1 supervision as a bonus content activity then you may ask Dr Krout to provide you with written confirmation of your session/s. You may then submit this to your local CPD/CMTE organisation according to your local CBMT/CPD guidelines.

CBMT Domains

For MT-BC's in the US and Canada you can submit your certificate in the workshops/independent learning category as an 'other continuing education opportunity'. This tutorial covers the following CBMT Board Certified Domains:

II REFERRAL, ASSESSMENT, INTERPRETATION OF ASSESSMENT AND TREATMENT PLANNING

D Treatment Planning - 11.

III TREATMENT IMPLEMENTATION AND DOCUMENTATION

A Implementation - 2 b. ff. kk. Mm. 5. a. B c. d. F5. i. bb.
