

Lesson 7 – Starting Your Day

LESSON PLANS

OBJECTIVE

The objective of this lesson is to get you and the kiddos to start the day with Spanish phrases. OUTSIDE of school time.

It is very important for you to post the Speaking Cards in their room somewhere so that you are prompted to start with these phrases which you will be repeating every week day.

TIMELINE

Hopefully, you will keep using these phrases from now on and just keep adding to the dialogue. So it will be great for you to say these phrases every morning.
