

*Below are some prompts for you to include into your prayers to help focus your mind on growing in humility. Consider weaving these into your prayers this month as you meditate on the scripture writing passages on the subject of humility.*

- Please reveal specific ways I can value others above myself in my daily interactions. Give me a heart that genuinely cares for the well-being of those around me.
- Thank you, God, for the example of Jesus. Give me the strength to follow in His footsteps, serving others with humility and love.
- Please give me a greater awareness of the needs of others and the humility to put those needs before my own. Give me wisdom in navigating relationships with a humble and gracious spirit.
- Help me to find contentment in your provision and to be grateful for the blessings you have bestowed upon me. Guard my heart from comparison and envy. Instead, fill me with a deep sense of gratitude that overflows into concern for others. May I share generously with those in need and extend a helping hand to those who are struggling.
- God, grant me the gift of empathy. Help me to understand the feelings and struggles of those around me. Break my heart for what breaks yours, and help me to be a source of comfort and support to those who are hurting. Help me to listen with genuine interest, speak words of encouragement, and provide support.

*Do nothing from selfish ambition or conceit, but in humility  
count others more significant than yourselves.*

{Philippians 2:3 ESV}
