

## **PRESENTER SCRIPT 2**

It's come up to 20 minutes past seven this bright and lovely Monday morning, here at the Seaside station. You're listening to the Cool Morning Drive on the Seaside radio 96.9FM, here in the city of Lagos. Just a quick reminder that the telephone lines will be open in a couple of minutes and you can have your say on today's hot topic.

In the meantime, the number to call is 0803234145. On Facebook and Twitter we're @Seaside96.9 and on Instagram, @Seaside969. Before we throw the phone lines open, here is a classic hit from a lady who has won more Grammy's than a Crocodiles' eggs, Beyonce Knowles in the song 'Fearless'...
