

# POWER OF 5 PRINCIPLES

These are the guiding principles of the Power Of 5 philosophy.

## FOCUS

Daily attention to your goal will create a body of work centered around one goal.

## CLARITY

The quality of being clear about what is important to you will help you remove and avoid distractions.

## INTENTION

A thoughtful plan will lead to success.

## ACTION

The process of doing something daily will create momentum.

## RESULTS

A natural consequence of your focused work.
