

Dear Friend,

On behalf of our pastoral team, I appreciate your expressed desire to become a member of our congregation. We are a strong family-oriented church with a passion to model authentic Christianity to our generation. We look forward to getting to know you and welcome the value you bring to our congregation. We also stand ready to serve and love you in Jesus Christ!

Since we are a growing church, this membership course is designed with two goals in mind. First, it acquaints you with our corporate vision and the areas of ministry created to serve your needs. Second, the critical foundational doctrines of the Christian faith are presented in a way that is easily grasped. This teaching format ensures that our new members will join us in building a strong, healthy, purpose-oriented, and Christ-centered church.

As you become more closely knitted to our body, strive to understand our vision and heart. We accept God's call to share and live the Christian faith in an exemplary manner. People need what we have—Jesus Christ.

Please complete the membership course in a timely fashion so that you may participate in the great challenge of mending broken lives through the presentation of the gospel of Jesus Christ. Note that full membership into our church is achieved by completing the entire Joining Our Church family course.

Our King Cometh!
