SUBMISSION INFO

On completion of your online tutorial you will automatically receive a certificate of completion to verify you have completed your tutorial. You can submit this document and your certificate to your CBMT/CPD organization as a professional development activity. For MT's in the US and Canada you can submit your certificate in the non-approved self-study category.

BONUS CONTENT ACTIVITIES

Workbook – if you have completed the workbook as a bonus content activity then you can send it to jacinta@musictherapyonline.org for verification. Once your submission has been verified you will be emailed a certificate of completion for the workbook for 1 hour CMTE/CPD credit.

Facebook community - while this is a great activity and I recommend you take advantage of it, not all CMTE/CPD organisations will give credit for engaging with the music therapy community in a closed facebook forum. You WILL need to check this one out for yourself if you intend to claim credits for your online community participation. If your CMTE/CPD organisation does give credit then I am happy to provide you with a certificate of verification. Email me at jacinta@musictherapyonline.org with your evidence of participation.

Supervision – if you have completed 1:1 supervision as a bonus content activity then you will need the presenter to verify your supervision sessions in writing. Please discuss this with the presenter when you make your supervision arrangements. You can then submit the verification of your supervision sessions directly to your CBMT/CPD organization.
