Agent Page Requirements

- 1. Agent Profile Image**

Portrait Image (Vertical), colorful, 840px by 1120px at 72dpi

Composition: Showcase the subject in the center of the image or just slightly off-center.

Cropping: It is best to have chest-up/waist-up cropping for a person. The portrait should have at least 200px 'space' surrounding the subject's head.

If no agent profile image is available, the agent name and details will fill the space.
- 2. Agent Video**

If available, an agent video will be shown in this space. Videos can be uploaded via dash and must follow the Style Guide requirements.

If no video is available, the first image from the agent's newest on-market property will be shown. If the agent has no current on-market

Agent Profile Page Requirements Document

With the new design of the Agent Profile Pages on sothebysrealty.com, a number of new content areas will be surfaced and highlighted. Some existing items will also receive a new prominence, and require changes to the assets behind them.
