

# Hill And Gully Rider

Hill and gully rider  
*(Hill and gully)*

Hill and gully rider  
*(Hill and gully)*

And you bend down, low down  
*(Hill and gully)*

And I'm low down to the ground  
*(Hill and gully)*

And I go down to the ground  
*(Hill and gully)*

And then you dance right round now  
*(Hill and gully)*

And you better mind, you tumble down  
*(Hill and gully)*
