Isaiah 44:24-26 "I am the LORD, the Maker of all things, who stretches out the heavens, who spreads out the earth by myself, who foils the signs of false prophets and makes fools of diviners, who overthrows the learning of the wise and turns it into nonsense, who carries out the words of his servants and fulfills the predictions of his messengers"

ABOUT THE AUTHOR

Justin Mitchell grew up in Franklin, Indiana, about 25 miles south of Indianapolis. Family has always been important to him. Justin's mother is the person who got his brother and him to attend church every Sunday. At 11 years of age, Justin accepted Christ as his Savior at the Independent Fundamental Baptist church. Even while attending public high school, Justin began to feel called to the ministry.

We are all shaped in some way by our environment and circumstances, and Justin is no different. Despite family challenges and his parents' eventual divorce, looking back he sees that these and other events allowed him to see what was most important in his life and to have the vision for End Time Watchman.

After high school, Justin attended Pensacola Christian College in Florida. He received his Bible degree in 2004 with a Pastoral Ministries major and a Biblical Language minor.

It was during college that Justin faced a turning point in his beliefs. Just after 9/11 he spent a lot of time reading and studying the Bible. Justin began to question an important tenet of his church, which taught a "pre-tribulation rapture". This means Christ will come and gather up the church before the last 7 years of the world. However, there are other churches that believe in "post-tribulation rapture" and as Justin read the Bible concerning this prophecy, he began to feel the Holy Spirit talking to him. After reading and rereading multiple verses he began to believe that Christ will return immediately after the tribulation and those who are dead will be resurrected first. Then those living believers will be raptured with Christ and will be with Him forever.

In May of 2020, during the beginning of Coronavirus, Justin decided to take his knowledge from school and studies and make an online Bible School. He calls the Bible School – End Time Watchman (School of Advanced Biblical Prophecy and Online Evangelism). This school is designed to reach the world with the Gospel of the Kingdom and End Time Closed Sealed message before the return of our Lord.

This book is dedicated to Richard H. Perry

INTRODUCTION

Thank you for taking the time to learn a little more about my

story and who I am (Justin Mitchell Lead Instructor and Owner of End Time Watchman School of Advanced, Biblical Prophecy and Online Evangelism). In this book, I'm going to be going through what I call my signature presentation "Food at the Proper Time". It is based on my life story and the Time of the End Closed/Sealed message. This book will help tie the story of my life together and parallel it to the End time message (Food at the Proper Time). I will also explain why I created this school. My hope is that after reading this book, more light will be given and present another perspective on how to look at everything God gave me. With all of that said, let's look at what you will learn.

Note* If you are reading this book and you do not have a relationship with Jesus Christ, you can still get something out of this book. However, I do want to mention that it will be very difficult to understand the parts of the bible as 1 Corinthians 2:14 says "The natural person does not accept the things of the Spirit of God, for they are folly to him, and he is not able to understand them because they are spiritually discerned" (1 Cor. 2:14).

Note* If you are a true believer in Christ, you may find this information new. I would encourage you to take a step of faith and read the whole book. It will be through reading the book that you will see my vision for

a school. The school will help you go deeper into understanding the big picture God has given ahead of time.

My favorite verse: Mark 13:23- "Be on your guard, I have told you EVERYTHING ahead of time!"

Note* You may hear me go back and forth between "we" and "I". I want you to know that God has put Richard Perry and Nick Goosen into my life to help me with getting this whole project going. So, when you see that, I'm also giving credit to the ones God has put in my life at this time! I've known Richard for over 10 years. I've known Nick for 2 years now and he is an administrator/owner of the school as well.

After this presentation you will learn:

1. Who I am and why I feel my story is so important
2. How 10 minutes and not paying attention cost me over 100,000 dollars and 10 to 15 years of my life. Not paying attention almost cost my whole life
3. How you can parallel my personal story and experience with the Spiritual understanding of the Time of the End
4. Who is Mystery Babylon, and when to leave to save your life
5. The Big mistake Bible teachers make in studying the Antichrist
6. Understand my vision and why it is so important
7. How you can both learn the message and help me share the message.
8. How you can add this message to your life and ministry

CHAPTER ONE

MY BACKGROUND AND STORY

All right. So, a little bit about myself, my background and story.

Who am I? My name is Justin Mitchell. I'm currently 39 years old. I have a Bachelor of Arts degree in Bible, with a Pastoral Ministries major and Biblical language minor from Pensacola Christian College in Florida. I do have a bit of a unique upbringing and perspective with the church. This has allowed me to see certain things that most people probably have not as it relates to my childhood and church upbringing.

I was saved when I was around the age of 11 years old. My neighbors had invited us to a Baptist church where I lived in Franklin, Indiana. It was through reading gospel tracts that I was intrigued with being able to receive Christ into my heart and have eternal life. After I was asked Christ into my life, I wanted to pass out tracts everywhere I went. That is what I did almost all the time, leaving them in places. As it relates to my childhood, I had a rough family life. My father had fallen into a lot of drug use with Cocaine and Crack. It was then my mother decided to divorce my father. Therefore, church was a place where I was able to go to and find peace, comfort and growth.

I continued to stay in church and continued to grow. However, it was later in my teenage years that I felt the Lord calling me into the ministry of some sort. I selected Pensacola Christian College which was where most of the people in my church went for their college education. It was after I started this school there became an issue. Soon after I joined the college, I began studying End Time Prophecy. My concern is that they were preaching and teaching about a pretribulation rapture. I didn't really see it when I studied scripture. I had some questions, but I thought, "What is going to happen when I or if I say something about not believing this teaching? If somebody finds out what's going to happen to my ministry? I thought, nothing terribly bad would happen?" But the fact of the

matter is that it was a big deal. I was selected to be a Christian service leader for my faithfulness to Christian service every Saturday night in Pensacola, Florida for my junior year. I was going to be the leader of the street preaching in Seville Square. The only thing was I had mentioned a couple of things in the prayer group about my belief in something different than pre-trib.

I believed in a post tribulation rapture. That's all I really knew at the time was just studying this part of the prophecy. I did not know All of the detailed information I have now in the school. Somehow somebody had mentioned my belief and turned me into the Deans Office. Sure enough, the following year, my Christian service leadership had been taken away and I knew something was up when they called me into the Dean's office. I was questioned about my belief, and I had some questions for them as well that they couldn't really answer. I just thought something was strange, especially when I went back to my church in Indiana. My pastor allowed me to speak a few sermons from the pulpit. He had told me never to mention anything of my belief, but it was part of my message, not the whole message. I briefly mentioned my understanding in the scripture I used and sure enough, he got up after my message. In front of the congregation, he said "Justin, you betrayed me!" Then after that he called me into his office and said "Justin, You will NEVER have a ministry!" He said Everything would slide for me. It was at that point I was crushed! My family pretty much turned their backs on me. They had ended up moving to a different state. I didn't go with them. I stayed with my dad who was even more involved with drugs. It was at that point I was devastated and began to seek acceptance.

I tried to go to some different churches. It was all the same stuff. And I knew there were answers that I needed to find. I just didn't know how to go about it because everywhere I turned, it was the same thing. So long story short, as I was seeking, I sought acceptance and got out into the world.

After I finished graduating college I thought, you know, let me just live life. It was shortly after I got out on my own that I got involved with the wrong people.

I remember my family telling me “You are not a servant. You will never be a good husband.” I’m not sure where this came from seeing that I was always following the rules. I couldn’t forget my pastor at my church telling me, “You will never have a ministry!” I never got acceptance at home or around the people I thought had my back. Therefore, it was easy to fall in with the wrong crowd.

Not only did I end up falling into the wrong crowd, but I also ended up trying drugs. When you try drugs, it is very easy to go back to them since they give you a feeling that is very accepting. Therefore, I understand why people do drugs. It is because somewhere in their life they are not getting what they need from people that care. Furthermore, I ended up selling drugs and got into a lot of trouble, which I’m going to go into and that will help people understand my life and the overall story better. There was a parallel that I was seeking the whole time and God was showing me things in an amazing way. Keep reading!

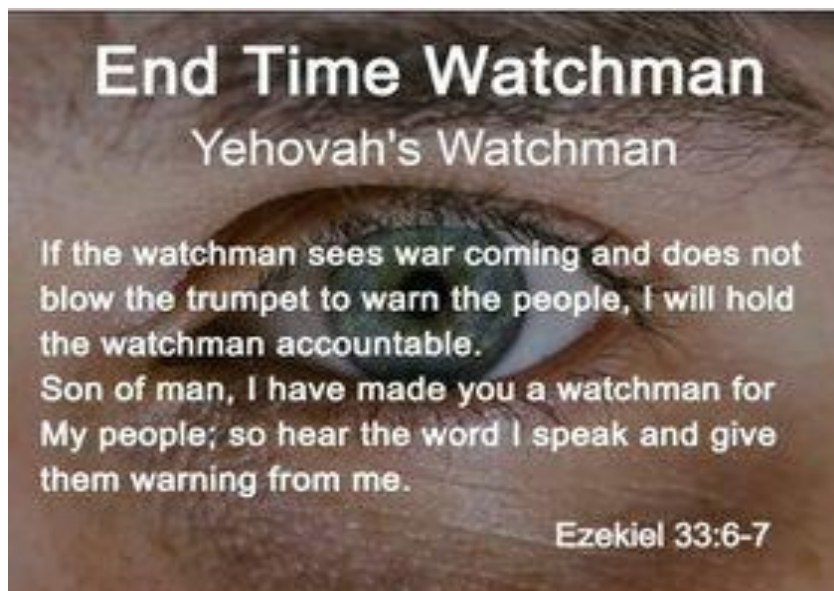

I just didn't realize some of what I understand until now even writing this book. It was after I got into a lot of trouble that I asked God to show me something. It was at that time I began to continue to study. I studied everything about End Time Prophecy, and I ran across a guy online named Richard H. Perry who had also been studying End Time Prophecy and was given a special message by God. It is important to note that Richard has written by hand to over 50,000 pastors warning them of this message. Richard granted me permission to use his books in the school and any content that he had on his Facebook, You Tube, etc. We spoke about End Time Prophecy for 10 years. Every Sunday at 2pm sharp we would talk for about an hour. I remember him saying “I want this to be yours.” So, for 10 years we spoke on Sundays about the entire message and everything that we were seeing. By the way I bought all of Richard’s

books. Since it was new material, It took me personally about 7 times going through them and listening to really truly understand the message. We were watching everything unfold that God has pointed out. Richard and I had spoken on occasions to start a school in Athens, Georgia where he is from. Eventually I thought to myself, with everything going online we should start an online school. It's almost as if Richard and I were partners the way we connected. The way he spoke compelled me to use the skills I had learned from my business coaches in 2020 to go ahead and start making an online school. This way we would be ready to get the message out quickly when the time came.

Keep in mind, I mentioned before that I had fallen into a lot of trouble in which I did go to prison. I will go into that in more detail shortly. The facts are that when you have felonies on your record it makes it very difficult to get any job. This left me having to work hard labor jobs at first. As I continued to seek answers from God, I found myself hanging around different business minded people. These people were business minded people which led me to start my own Personal Training business. It was through hanging around Business coaches that I learned a lot about business and business models. It was right before Coronavirus hit that I had hired a business coach for personal training. His name was Lance Greenberg. It was through Lance's program that I was able to "Breakthrough" certain blocks in my life that were always holding me back. I learned that I had a story. Everyone has a story. By going through Lance's Business and Life coaching program it helped me realize that I personally needed to take full responsibility of what I knew and put it to action. Trust the process. It is through this program that I have designed a similar course and program in my school to help others breakthrough the same blocks just like I have. Therefore, when Coronavirus hit, I just felt God telling me, "Justin, you need to take your knowledge and make an online Bible school!" And that is what happened. I took a step of faith and built the whole school. End Time Watchman- School of Advanced

Biblical Prophecy and Online Evangelism. You can find it at www.end-timewatchman.com

The Watchman's job is to warn people of plagues, famines, wars, repentance. If he doesn't, he will be held responsible.

I found the whole school off Matthew 25: 1-7. We'll go into that here shortly, but everything just really clicked. And I was moved to start this as I saw a lot of ways from business coaches that you could teach people. And I thought this needs to happen because the Bible says in Daniel 11:33- "At the Time of the End of the wise will instruct many!" I wanted to make a short whiteboard explanatory video that showed the vision for the school. Here is what is in the video:

"Welcome to End Time Watchman! In the gospels Christ warned that the End Time Pastor would be hiding the message "food at the proper time" from the flock. Christ said in Matthew 25:1-7, that at the Time of the End, All Christians, churches would be asleep and that all would wake up and realize that Christ was coming back. Five were wise and five were foolish.

The five that were wise took oil in their lamps along the journey. The five that were foolish did not and were shut out of the kingdom. At End Time Watchman, we provide all the tools and study you need to instruct others during the Time of the End. Daniel 11:33 says 'at the Time of the End, the wise will instruct many.'

If you would like to be one of the wise and help others understand the End Time message that God has revealed, contact us today and we will help you get started on learning and teaching End Time Prophecy to God's people."

A couple other interesting things about me is that I won my first NPC bodybuilding competition in 2005. I still stay in-shape and I still try to keep my health up because, that is a very big part of connecting with God as well. If we don't have our health, it will really wreak havoc on our relationship with God. I mean, we're not going to be healthy. We need good health in our minds, body and souls.

Another thing that I want to mention about myself is I have a heart for animals. I'm not just this hardcore guy that goes around teaching all this stuff. I follow a dog named Fongki on Instagram. I follow a few different dogs. One named Otorobong, another named Angpang_smile and then of course Fongki. And we cant forget about Jiffpom.

Otorobong, Angpang_smile, Fongki 🐶❤️😊

A lot of times in the world I'm thankful that God gives some outlets. The dogs are one of my outlets on top of working out. So that's a little bit about myself, but now I'm going to go into my story and experience.

CHAPTER TWO

MY STORY AND EXPERIENCE

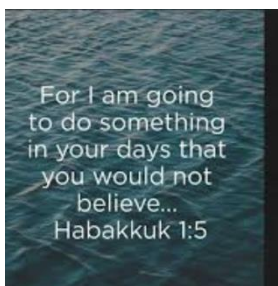

I'm just going to be very transparent with you so that you know that

I'm a real person. I've been through life. I want to help people. I've seen a lot and I've been a part of a lot of life experiences. It was through all this that God spoke to me about how to present all this information and story to everybody and I'm grateful for it.

Romans 12:28, says "God works all things together for good to them the love him." I am a five-time felon with drug charges and have been involved with several setups. I have been to prison. Fortunately, I was able to get the bootcamp recommendation. After that I had the House arrest and probation. This was all between 2008 and 2020.

In 2012 I went to prison. I was in receiving in Statesville, Illinois 24-hour lockdown for six months before I got to the bootcamp. My cell in 24-hour lockdown was a 6ft x 8ft cell. I was literally in 24-hour lockdown for six months straight. I'll explain this case in a bit. I lost about 40 pounds altogether through this experience. I literally didn't move. It's like being locked in the closet and that's when I really had an eye-opening experience. Prison was the worst and best time of my life. It's when you lose your freedom that You can clearly see and feel what you are missing. I would rather be homeless than in 24-hour lockdown. My drug of choice was ecstasy. I was caught dealing 1000 pills to an undercover police officer in the middle of downtown Chicago.

Right before I went into prison, I prayed and asked God to show me something. It was literally that simple of a prayer. This is when I found God's closed sealed message. All the things that I had been seeking, I truly believe that God wanted me to go through a process or experience. I believe you'll see it in the very end here as we get through and bear with me as I go through my story.

It's a long story, but it all has a purpose. I wanted to mention again, I started my own personal training business after prison because when you have five felonies, it's hard to get a job. Furthermore, I had to do certain things that I didn't want to do for work just to make ends meet. For 3 years I was number one on a personal training service site called Thumbtack. It's just a service marketing site where you could promote a small business service and I chose personal training. I had been declared number 1 trainer of the year for 2015 and 2016. But after three years, somebody must've got in trouble with their service on this website. At that point then they filed a class action lawsuit case, they then had everybody on the website do a background check. Of course, when I did the background check, I failed it and they deactivated my account overnight leaving me with no business! That's what led me into business coaching and trying to figure out other ways to build my business. At the time I was crushed again, but I do feel God was using it to move me into another direction. All of this was His process for me. Another interesting fact that happened was I ran into something called NAD. This supplement NAD (Nicotinamide Adenine Dinucleotide) that I take almost cured my addiction problem. And so, anybody that's reading this and might be a drug addict, let me know. We can talk about NAD another time, but without that, I would not have the clarity and the focus that I have had this whole time. So it was through all these things that God helped me see a bigger picture.

And then in 2020, I began End Time Watchman- School of Advanced Biblical Prophecy and Online Evangelism. God gave me a second chance of

being the lookout guy. I will explain more about that when I talk about the setups that I was in.

Now I'm going to go a little deeper about my story. The verse that comes to my mind is Habakkuk 1:5- "For I'm going to do something in your days that you would not believe even if it were told." As it relates to the Bible God is going to do something in The Time of the End, that you wouldn't even believe. It's almost unbelievable. Just as my story I am going into is almost unbelievable. Keep reading!

Even if somebody told you, and I've been shouting this out for over 10 years and people just don't see it. The Bible says that all Christians are asleep (Matthew 25:1-7). Well, the same idea was in my life. When I share this you may think "How in the world did you make it through and how did all this happen?" I asked myself the same question every day.

In short, the same way that God took me down is the same way that God is taking America down. I see this in my mind every day and it is my duty share this. The people who have been through the courses in the school will probably understand this better. And hopefully the ones that haven't, when they get to the end of this, my prayer is that they will be moved to take a course and get started with the school. There will not be much time left! God set something up in my life and God is setting up something huge during the Time in which we are living- The Time of the End!

It is almost unbelievable! Let's start with the first time I got in trouble. I had a good friend. His name was Adam Fuller. I had bought his car because I got in a wreck with my car. I had not had a chance to put his car in my name yet. Little did I know that Adam was being watched by the Feds because he was a huge drug dealer. He made drugs and sold drugs. Right after I bought his car (this was before I had my name transferred) I was driving his car back to Chicago to grab more ecstasy pills. Somebody, the night before had put some cocaine in my pocket. I never even used cocaine before. However, I got pulled over on my way to Chicago. I was charged with possession of cocaine and ecstasy. This was in 2008.

This was my first charge I had ever had. That was like my 9/11 experience.

I didn't change my ways or anything. In the same way that United States really didn't wake up at 9/11, they didn't really turn from anything. They didn't get it. I understand the mindset. I understand the mindset on both sides. So, my point is I continued and got even worse, met other people, continued to deal drugs on probation. Read Isaiah 9:8-13. America did the same thing. They didn't recognize it and they continued. But God has another plan.

As I continued with drugs, I remember a day that I thought, "Let me go out on Wednesday because I don't want to be out on a Friday and Saturday." I dealt a bunch of drugs. I was trying to make it. And I had about 19 different drugs in my car. That Wednesday I ended up grabbing Kolonapin, morphine, cocaine, ecstasy and all types of drugs. I was coming back around to my guy Mike to pick up some more X pills.

Little did I know that the cops were investigating this guy at his work where I met him. The cops saw me get out of my car into his car and the deal was that I was going to pick up more pills. I gave him 350 dollars. He gave me 50 pills and I was going to pick up more pills later that night at his place. That is how we normally did things.

Well, I didn't think much about it. I left and moved on. Thankfully I got rid of some more drugs. It had been a few hours and I thought I haven't heard from Mike, let me give him a call. He wasn't answering. I thought, let me just stop by his house since his girlfriend usually was there. At the least I could let her know that I was looking for him. Sure enough, when I pulled up to his house, his house was getting raided by the Feds. I had got a phone call from him about 10 minutes before and little did I know he was trying to set me up. As I pulled up to his house I turned around and started going back in different direction.

Pretty soon the cops swarmed my car. Long story short, it was an illegal search and seize. I had to get a lawyer and all types of stuff. Sadly, I really didn't learn my lesson from that. A lot of these stories I'm telling you, there's a lot more that goes into them, but just briefly letting you know, the whole idea is I keep running into traps and I keep not learning my lesson.

And there was something I needed to learn that I clearly was not learning. The point is, is I just continued through that and thought, "Hey, I'm just going to change the way I do things." I thought "I'm going to back off" since I lost my job going through all that because of all the stress. I was on unemployment and that's, when I started to begin studying scriptures a lot more about the Time of the End and prophecy.

This was around 2010 and that's when I met Richard and started reading all his books. The strange thing was I had grabbed some pills during all that process that I still had. I was running low on money and sure enough, a guy calls me in Logansport, Indiana. His name was Brian. He was a guy that I had used to hook up with pills.

He got my number from another one of my friends who introduced me to him. We must have lost each other's number when I got in trouble. He asked me if I was still in trouble and if I was okay? And I just thought, hey, I'll just get rid of these pills to him. I knew him and no big deal. Plus, I needed the money. I just won't do anything else. Just a one-time thing. Sure enough, I went up to Logansport, IN and it was around two o'clock. Seems like all these things happen around two o'clock (lol). So, I went up there and I just felt funny about the whole thing. I got into the guy's car, sold him the pills at a gas station. I left and I thought surely that wasn't set up. I got back home, and I was like, "You know, something is kind of strange about this." A week later I got a phone call from him saying that he wanted more. I knew the pills weren't the best and he just kept calling me. I finally blocked his number and told myself I'm not even going to go back to this guy. Well, I didn't hear from him for a long time. As

I was on unemployment, I began to feel bored because I didn't have a game plan for my life. That is when the devil works the most. I decided to take a trip back up to Chicago and see if I could find anything else because I had no game plan for my life. I began thinking myself, "let's just do it different this time. Let's take a Megabus. Let's just not be on the roads, you know?" Well, anyway, I get up there and I meet two kids. I say kids but they were just young and dumb. The thing is they were just selling pills out on the street to almost anyone. In the back of my mind, I immediately thought "These guys are going to get in big trouble eventually." Just like that I got a connection from them. I stayed in contact with them every couple of months and I would go up to Chicago to meet them. It was right around Christmas and New Year of 2010 and my guy said "Hey, I want you to come up from a birthday party." So, I went up on a Tuesday night right before Christmas and New Year. The day before I went up, I had a friend of mine in Indianapolis call me and wanted me to pick up a hundred ecstasy pills for New Year's. That wasn't a problem because that was typical for me. I also decided to get a half gallon of GHB as well. My plan this time was different. I was getting a bus ticket there and back. My plan was to be out of Chicago the next day by 7am in the morning.

Little did I know that my guy Scott had a bigger deal planned for Wednesday. He had a thousand pill deal planned. I had already done a thousand pill deal in Chicago and everything went through in my past, so I didn't think it was anything that serious. The point is that I keep falling into traps no matter what I do. No matter what angle I tried to do differently something crazy always happened.

We had partied all night long and it was the next morning. The pills had not shown up yet. Then Scot got a phone call that the pills had just been flown in from Vegas. The GHB had just been dropped off, so I left it at Scotts place. Scott asked Andrew and I to help with the deal. I was ok with it since I just wanted to get out of there. We were all tired from being up all night and strung out on drugs. I left the GHB there. I did not

want to take that with me. My plan was that I would get a bus ticket while I was downtown and then head back home on the Mega Bus.

Scott had a plan. Scott said, "Hey, we'll hook you up first. Then we'll finish the thousand pill deal. Justin, I want you to be the 'lookout guy'." I went with them and little did I know we were right by a Jewel-Osco, which is right next to the Chicago police department.

I got out of the car and started looking around as it was very busy right before Christmas. I was thinking to myself, "you know, what do I look for?" How can you be on guard, if you don't know what to look for? You can't! This is the most important part of the message right here! You cannot be on your guard if you do not know what to look for! This will play a huge part in understanding the rest of my story. Keep reading!

I started looking around and I saw a car with a guy talking on the phone. I didn't think a black guy talking on the phone in the car was a big deal. I walk further around the parking lot. I saw a guy with the letters "POLICE" on the back of his shirt, but he was helping somebody with their car. Then I walked and I saw a van with two white guys in it. One guy had sunglasses and then another guy with a long beard. I thought, "Man, that is a little strange." I started getting kind of weirded out and I saw one more vehicle, a nicer truck with a black guy in there, just sitting there looking around.

Remember, this place was packed with people right before Christmas. Feeling uncomfortable, I decided to leave and went to the gas station to get a drink. About ten minutes went by. I almost called them to call it off, but I got a call from my guys and they said, "Hey, we got the pills so just meet us back where we originally parked and then we will start the 1000 pill deal, 250 pills at a time." As far as the pills going back and forth, I thought that was a little strange, but I got the pills and they got back out of the car and started walking. Sure, enough here comes that van and

those two guys and everybody else jumps out of their vehicles screaming, "Chicago police, Chicago, police, everybody down!" Words cannot describe the feeling I had at that moment. I know I will NEVER forget!

I was on a mission to get the pills home. I put the pills in my pants because I'm thinking I need to get this back home. People depend on me. Everyone knew I was an honest drug dealer. I always got things done no matter what. Not this time! LOL. I'm so messed up at this point. The Cops pulled me out the car handcuffed me. They didn't find the pills. We all get taken down to the Chicago Police Station and interrogated. This was Scott's second time

dealing with these people. Apparently, he had dealt to them 2 weeks prior in a club for 20 pills of ecstasy. Furthermore, they had already dealt to. Undercovers and DEA agents 3 other times. This wasn't their first time. What are the chances that I come up when all of this goes down. And by the way it happened at 2pm again? What is it with 2pm? LOL. The bottom line was Scott wrote in his affidavit in his story to the police that I was "lookout guy."

With that statement from Scott, I got charged with more than everybody! Andrew told the cops I had the 100 pills and the cops searched me and found them. They even rolled on their main guy who came in later that day. All in all I got charged with dealing a thousand pills to an undercover cop, possession of a hundred pills of ecstasy and half gallon and GHB. I got charged with 3 class X felonies. A class X felony is 6 to 30 years for each because I was crossing state lines.

It took us 2 days to get processed into Cook County jail, one of the worst jails in the country. Thankfully we were able to bond out with such a big case. The bond was only a thousand dollars, which is strange for that big of a case. Keep in mind I was on probation at the time and one of the cops almost puked when she found out, because little did I know, I already dealt in undercover back in Indiana. So, my point is I fell into the trap

again. By God's grace I got back and was able to go to my probation meeting. The Chicago case took a year and a half to get through. I was able to get off probation in Indiana before it collided with this case. None of the cases interfered and thankfully. They worked out something my first time in Chicago or Illinois. I was young enough to get bootcamp, which is a four-month program. They starve you to death and have you done all this exercise and straighten you up. But again, we had to spend those six months in 24-hour lockdown before getting to bootcamp because it was so backed up. My point is thankfully I got bootcamp recommendation. However, the strangest thing about this whole thing is what happened about two weeks before I copped out to bootcamp in in Chicago. I got a call to pick a friend up and take him to work. I decided to pick him up and I was driving on Keystone Avenue, about 25th and Keystone back in Indianapolis. Suddenly, I get this funny feeling because I saw a cop car, but I was doing nothing wrong. That same cop car pulled behind me and pulled me over. The cops got out and said, "Hey, you have a warrant in Cass County. Have you ever been to Cass County or remember doing anything up there? And I said, "uh, it has been forever." He said, "Did you do anything up there?" I kept my mouth shut. It had been almost 2 years since I had been there.

The fact was that the story I mentioned before about Logansport Indiana. Well, that was a set up. The guy, Brian, had set me up on camera in his car when I sold him the pills. This was the guy trying to get pills from me a week later. Apparently, he had got into a lot of trouble and was setting up as many people as he could. Matter of fact my lawyer found out that he set up so many people that he got set up setting up other people.

At this point I am thinking that my life is over. Thankfully I was able to get a lawyer. The Prosecutor at the time said if I did well in boot camp, they would offer me 10 years with work release, house arrest and probation. I did very well in Bootcamp. When I got out of bootcamp I signed the 10-year plea agreement which was 6 years serving, 3 on house arrest

and another 4 on probation. Two weeks later my dad passed away. I had all this stuff going on and that's when I started to ask God for help. I wanted to share with you that story because It plays a very similar mind-set role and parallel to what's happening to the United States during the Time of The End. This is how God takes down America and gives us chances just like He gave me. Now I'm giving it back. He gave me a message and experience that I must share with the whole world.

CHAPTER THREE

THE TAKE DOWN OF THE UNITED STATES

<p>1st Wake Up Call</p> <p>Revelation 6:2</p> 	<p>The Lord sent a message and all the people knew it. Their leaders said with pride and arrogance of heart,</p> <p>"The bricks have fallen down, but we will rebuild with dressed stone; the fig trees have been felled, but we will replace them with cedars."</p> <p>So, Yehovah strengthened their foes and stirred up their enemies from the east. <u>But God's people did not return to Him, nor did they seek Him.</u> So, God's anger was kindled and his hand is still upraised. from Isaiah 9</p> <p>Yehovah's hand will come down when He opens Revelation's 2nd Seal!</p>
--	---

Now I will go into the take-down of the United States of Amer-

ica. If you haven't taken the courses, you're going to want to after this to get an even deeper look into God's word and End Time message. If you have taken the courses, this will shed some light on what you've already studied. Keep in mind, Daniel 12:4,9- "The words are Closed and Sealed Until the Time of the End." The words are closed and sealed until the time of the end. Now that the Time of the End has begun, we can understand the message. That's why we have a school. Daniel 11:33- "At the Time of the End, the Wise will instruct many!"

The first seal at 9/11. The Lord sent a message. All the people knew it. I don't think anybody forgot about 9/11, but they missed it as it relates to the beginning of the Time of the End. "The Lord sent a message; All the people knew it. Their leaders said with pride and arrogance and part of the bricks have fallen down, but we will rebuild with dress stone.

The fig trees have been felled, but we will replace them with Cedars. So Yehovah strengthened their foes and stirred up their enemies from the east. But God's people did not return to Him, nor did they seek Him. So, God's anger was kindled, and His hand is still up raised." This is from Isaiah 9:8-13. Isaiah's 9/11 prophecies. Yehovah's hand will come down when He opens Revelation's Second seal Iran war. The Bible says that God confirms a matter with two or three witnesses. This will be the second witness. This is what we're pointing to. If you were to come into my Facebook group, this information is what you should be seeing right now.

There is also one other gold nugget found in the book of Habakkuk. Habakkuk is all about the End Time Babylonians (United States). Habakkuk has a vision about a nation and what appears to be its leader or leaders. It explains how that anyone watching would SEE this happen. It talks

about a violent destruction of Lebanon, and a nation's creditors suddenly rising up against them. It may not be fully understood until it happens, but Habakkuk says "The vision awaits the APOINTED TIME OF THE END. It will speak and will not prove false. Though it lingers wait for it. IT WILL CERTAINLY COME AND NOT DELAY!" If you were to go through the courses in the school, we tie this into the 2nd seal of Revelation. This is a very vivid description which will clearly set apart the Time of the End from any other time in history and will account as another witness confirming the Time of the End. Let's look at a few verses....

Habakkuk 2:1-7: "I will stand at my guard post and station myself on the ramparts. I will watch to see what He will say to me, and how I should answer when corrected. 2Then the LORD answered me: "Write down this vision and clearly inscribe it on tablets, so that a herald may run with it. 3 For the vision awaits an appointed time; it testifies of the end and does not lie. Though it lingers, wait for it, since it will surely come and will not delay. 4Look at the proud one; his soul is not upright—but the righteous will live by faith—5 indeed betrays him. He is an arrogant man never at rest. He enlarges his appetite like Sheol, and like Death, he is never satisfied. He gathers all the nations to himself and collects all the peoples as his own. Woe to the Chaldeans 6Will not all of these take up a taunt against him, speaking with mockery and derision: 'Woe to him who amasses what is not his and makes himself rich with many loans! How long will this go on?' 7 Will not your creditors suddenly arise and those who disturb you awaken? Then you will become their prey.

So, we see, that "at the appointed time" we will SEE this happen. It appears that the United States creditors (China) will make us tremble (collapse the dollar) because of a certain event. Keep in mind all of these "Nuclear talks have been going on for a while."

Furthermore, we find later in the chapter what happens for this event to take place.

Habakkuk 2:17- “The violence you have done to Lebanon will overwhelm you, and your destruction of animals will terrify you. For you have shed human blood; you have destroyed lands and cities and everyone in them.”

Keep in mind we have already seen Hamas hit Israel. But we know that Hezbollah has over 150,000 precision guided missiles pointed at Israel. If Iran were to use the help of Hezbollah along with their attack, Israel and the United States would have to stop those missiles. Many of those missiles are stationed and set up within the villages of Lebanon. When

this happens, most likely our response will kill many people and trigger a global crisis!

These are just a few things we are pointing out at this time of writing this book. We have warned so many people but as Christ says, Matthew 25:1-7 (All Christians are asleep, then a cry rang out) Where did the cry come from? Jeremiah 51:54- The cry comes from Babylon. Great destruction "from the land of the Babylonians." Don't get this confused with the destruction of Babylon at the 3rd seal!

All Christians will wake up at the 2nd seal of Revelation. Christ says in Mark 13:23- "Be on your guard, I have told you EVERYTHING ahead of time. Iran takes peace from the earth. We go into all that. I'm just briefly sharing this with you. And then the 3rd seal of the wheat and barley are destroyed. You will want to be out of the United States before that time.

I shared my story with you because it's a very similar take-down and very similar mindset and we just didn't get it.

John 14:29- "I've told you now before it happens so that, when it does happen, you will believe." My point is that I want you to do the study and understand what's happening, but also in my life, it was the exact same way. My life is a good example and mindset of falling into traps, and never really turning my life around. So, God took me through a process. This is what God's people are going to go through during the Time of the End.

Some of the experiences that happened to me were out of order. As far as what happened to me, I just couldn't believe that they came back on me. Sometimes prophecy is not always in chronological order. We must really study to get it. You are going to understand soon that this is a setup on the United States. It is a staged take down. People just do not see it. But how could you if you are asleep? How could you see or be on guard like Christ says if you do not know what to look for? You can't. But you will see and know after reading this and studying the Bible about the

Closed sealed message. It is all in there and I have a school with all of the details.

It was a staged take down with me. I know God was behind it all the times the cops had the guns to my head. That was God trying to get me to listen. I was just hanging around the wrong people. I didn't have any major bad ill intentions. I just didn't have a plan. God has a plan for His people, and I want you to know it.

I didn't know because I was ignorant. I was ignorant and I needed to turn. God has the same type of plan for his people who are just completely ignorant of what's going on. Most of this is from false teaching. Most of it's just from not studying.

Do you know how many times that I play my story over my mind? How I wish that I would have just left on that bus never went up. Had I known all these things, I would have turned and would have just left. I was hanging out with the wrong people. It's the same thing. God is fed up with America. We're going to see that here shortly in a lot of verses, if you don't know who Mystery Babylon is then you do not understand End Time Prophecy. You simply are just not getting it.

How can somebody set something up in plain sight and not blow the cover off it? We're talking about setups. Yehovah does this. God has done it. I understand it because I've lived through it all. And I'm giving it back because people just don't see it. If I would have just left, I would've learned my lesson. Sometimes it takes a process, and you too will understand that sometimes it takes a process.

I'm going to mention this one more time later in this presentation, but there was a time in prison where a guy preached a message about King Naman. King Naman was a leper. And a guy came to him and said, "Hey, if you dip in the Jordan river, seven times you'll be clean." And he said, "But the Jordan river is dirty."

He went ahead and did it. And he was clean after seven times. Sometimes it takes a process. Sometimes it takes more than just one time to get clean. Many times, the process is not what we think but God knows what it takes to get us clean. We just don't understand or believe. That's why I don't really beat people over the head too much, but because God's got a plan, if we understand it and just go through it by default, we're going to learn something through it. The whole time He's beating us, but He's loving us too.

CHAPTER FOUR
FOOD AT THE PROPER TIME
(WHAT WAS
AND IS GOING ON BEHIND THE
SCENES)

I Set A Trap For You, O
Babylon, And You Were
Caught Before You Knew
It; You Were Found And
Captured Because You
Opposed The Lord .

Jeremiah 50-24

BibleWordings.com

This is Food at the Proper Time. The Bible talks about Food at the

Proper time and says in Matthew 24:45-51- "the End Time servant hid the message - food at the proper time." What was happening behind the scenes that I couldn't see? Well, they were setups. I was on probation. I'd already dealt to an undercover and there was a warrant about ready to be thrown out.

The guys I was hanging around in Chicago had already dealt to DEA agents multiple times. This was their second time dealing to an undercover. The day I went up, what are the chances of this happening? I'm going to do something in your day that you wouldn't believe, even if it was told. God is setting something up major.

I was charged with three class X felonies, more than everybody dealing a thousand pills to an undercover and currently on probation. Furthermore, I had already dealt to an undercover myself in Indiana. I was in so much trouble. If you guys don't understand how much trouble we're in here in America, then you don't understand End time Prophecy.

Now we're going to talk about what is happening behind the scenes between the 2nd and 3rd seals that we need to know. What does God say in Jeremiah 50:24? "I set a trap for you, Oh, Babylon and you were caught before you knew it. You were found and captured because you opposed the Lord." Now God is setting a trap!

Look how many traps that I fell into? It's all about setting traps. How many deals are made and broken in the Time of the End? Well, you should know if you've studied it and it happens repeatedly. You would think we would understand. You would think that I would have understood. How can you be on guard if you don't know what to look for? You can't!

That was the problem. If I had known what to look for, I could have been on guard. I would have called everything off and I would have done the right thing. What is going on behind the scenes between the 2nd and 3rd seals that we need to know? This is very important that we need to know so we know when to leave. We will be able to escape the set up and the surprise attack on the United States.

No one is talking about the 3rd seal (the wheat and barley are destroyed). The 3rd seal set up attack is very similar to how they came back on me. The 2nd seal Iran will rock the world. However, if you don't understand God's plan, you will listen to man try to recover from the shock. There seems to be a celebration before the 3rd seal. Things will appear like they are going to be back to normal and the world will continue. Agreements will be made. Do not trust man (Psalm 118:8). God has a different plan than man. "My purpose is to destroy Babylon", Jeremiah 51: 11-13.

Between the 2nd and 3rd seal the Antichrist (Beast King) rises to power. The Antichrist just doesn't just pop onto the scene. He appears between the 2nd and 3rd seal and he is revealed at the last 3.5 years. You're going to see this if you know what to look for from scripture. Recognizing the Antichrist rise to power is going to be one of our cues to leave the United States. picture

The BIG MISTAKE!

The Big Mistake that Bible teachers make is assuming that "the people of the ruler who will come" in Daniel 9:26-27 is talking about Roman soldiers. We can positively identify the Antichrist as the "ruler who will come" "the "he" of Daniel 9:27. From history we can identify "The people" who "will destroy the city and sanctuary" of Daniel 9:26. They were the people of the Roman Army in 70 A.D. under the leadership of the Roman General Titus. Bible teachers assume that the people in the Roman army were Roman soldiers. That is not what history has recorded. Fortunately, this part of Israel's history was very well documented. Josephus

recorded that the soldiers in Titus' army were Syrians. Syria at that time was part of the Roman Empire and it encompassed present day Syria and Lebanon. For more information about this take my course in the school on The Antichrist. This is a game changer for understanding End Time Prophecy! Essentially, we can conclude that the Antichrist comes from Ancient Syria which is modern day Iraq. Isaiah 10:20- "In that day the remnant of Israel, the survivors will no longer rely on him (Assyrian King) who struck them down but will rely on Yehovah, the Holy One of Israel." When the covenant is confirmed, (Daniel 9:27), Israel will rely on the (Antichrist). In the middle of the 7 years the Antichrist will strike Israel down, then the Lord, Yehovah, will return."

Man talks about a "New World Order" or "One World Government." God talks about a "Final Beast Kingdom". First, the Kingdom of the 10, the fourth beast kingdom, will begin with 10 Kings and later it will devour the whole earth. This is the final beast kingdom that the Bible talks about. The Antichrist becomes one of the 10 Kings. Then the Antichrist will rise among the 10 kings. He will be different from the earlier kings. This is when we really need to leave. We don't want to wait for them to sign some sort of an agreement and we don't want to hang around. The Bible says, "Do not linger." The Antichrist rules the seven kings and 10 nations, you'll learn this when going through the school courses.

Antichrist, Beast King, Rises To Power

First the Kingdom of 10:

The fourth beast kingdom will begin with 10 kings and later it will devour the whole earth. Daniel 7:23

The AC becomes one of the 10 Kings:

Then the Antichrist will arise among the ten kings. He will be different from the earlier kings. Daniel 7:24

The AC rules the 7 Kings and 10 Nations:

Then Revelation's 4th Seal War and the Antichrist subdues 3 of the 10 kings. Daniel 7:24

He will extend his power over many nations; with Egypt, Libya and Sudan, the 3 in submission Daniel 11:43

The Antichrist subdues 3 of the 10 Kings and will extend his power over many nations with Egypt, Libya, and Sudan, the three in submission. We need to be out of the United States, before the third seal destruction of wheat barley.

It is the Antichrist who convinces Russia to nuke the United States at the third seal. The Antichrist is ultimately responsible for the destruction of the U.S.A. (He will burn her with fire – Revelation 17:16). Psalm 119:160- ("the sum of thy word is truth" meaning All God's word put together is truth). So many people spend so much time in Revelation. They don't read Jeremiah, Daniel or much of the Old Testament.

The trap has been set! - (Jeremiah, 50:24) Jeremiah 51: 57 talks about the celebration. Before I got hit my final time, I too was in celebration mode. I totally forgot I had sold to an undercover and I got hit 2 years later. It takes the Holy Spirit to understand this concept of a set up or surprise attack. As it relates to the United States, we fall back and celebrate not knowing what the Antichrist and Russia have set up for us at the 3rd seal. There is a conspiracy to take down the United States so that will free up the Antichrist to ultimately invade Israel at the last 3.5 years without the interference of major Superpowers. Jeremiah 51:57- "I will

make drunk or princes and her Wiseman or captains, rulers and our mighty men. And they shall sleep a perpetual sleep and will not wake up, says The King, whose name is the Lord of hosts? "What happens is there's an agreement that's made that they, that they agree on that this wouldn't happen again after the 2nd seal retaliation. That is what causes celebration (an agreement is made). And if you're trusting, man, you're just going to see or understand this. However, if you are a true believer who studies End Time Prophecy, you will see it and go ahead and leave. When you get the go through the study (for most it will be after the wake up) then it will all make sense. I personally cannot get it out of my head at this point. I must share it. Why does God have to wake His people up? So, they can recognize End time Babylon (USA) and leave!

Parable of the Fig Tree

Yeshua told them a parable: Look at 'the fig tree and all the trees.' When you see all these things you will know God's kingdom is near. Luke 21:29

The vine is dried up and 'the fig tree and all the trees' are dried up. The people's joy is withered away. Despair, for the 'wheat and barley' (3rd Seal) is destroyed. Joel 1:11-12

The 3rd seal is going to hit people like I got blindsided in my story. There is a Russian nuke called Poseiden. They have already tested it and It's going to be used later this decade. My personal belief is it's a possible nuke along with the Avengard that will be used at the 3rd seal along with many others. Obviously, if we are nuked, we're going to counterattack

with nukes and this is what destroys the wheat and barley. Russia and the U.S. and Canada hold the world biggest grain and wheat production.

We find in Daniel 8:24- "The Antichrist destroys the superpowers (mighty men)." This frees him up for the last seven years. The point is this is a major setup on the United States to take them out and to allow the Antichrist to fulfill the last seven years without the interference of any major superpower like United States or Russia or whoever. Clearly there is a lot that happens before the last seven years.

Let me just solidify everything with the Word of God! "Flee Babylon run for your lives!" Flee before destruction! Remember, Ancient Babylon was not destroyed like future Babylon. It was captured not destroyed in one hour, like Sodom and Gomorrah. Here are several verses that help us understand Mystery Babylon- USA.

Jeremiah 50:40 "As I overthrew Sodom and Gomorrah along with their neighboring towns declares the Lord. So, no one will live there. No people will dwell in it."

Ancient Babylon was not destroyed like this. Look at this picture of Babylon, “the Jewel of kingdoms, the pride and glory of the Babylonians will be overthrown by God like Sodom and Gomorrah.” Well, that's not what happened with Ancient Babylon. That's talking about a future Babylon (USA).

“A sword against the Babylonians declares Yehovah! Against those who live in Babylon. As I overthrew Sodom and Gomorrah.” Revelation 18:8- Babylon The Great destroyed the same way.

Jeremiah 50:8- “Flee out of Babylon! Leave the land of the Babylonians and be like the goats that lead the flock.”

Jeremiah 51:6 flee from Babylon run for your lives do not be destroyed because of her sins. It is time for the Lord's vengeance. He will repay for what she deserves.” ...In Matthew 25: 1-7, when it says, “come out to meet him”, that Greek word is (exerchomai), which means “come out.” When the 2nd seal opens, All Christians wake up and they need to “exerchomai- come out to meet him.”

Revelation 17/18 is all about Mystery Babylon the Great eight, AKA United States.

Ancient Babylon was not Destroyed like This:

Babylon, the jewel of kingdoms, the pride and glory of the Babylonians, will be overthrown by God like Sodom and Gomorrah. **Isaiah 13:19**

A sword against the Babylonians! declares Yehovah, against those who live in Babylon! As I overthrew Sodom and Gomorrah. **Jeremiah 50:35, 44**

Revelation 18:8

**Babylon the Great
destroyed the
same way.**

1. Revelation 18:4-5: "Come out of her, my people so that you will not share in her sins. Leave, so you will not receive any of her plagues. For her sins have piled up to heaven and God has remembered her crimes."
2. Revelation 18:8- "Therefore in one day, one day, her plagues will overtake her death, mourning and famine. She will be consumed by fire for mighty is the Lord who judges her." In one day- That's a nuclear destruction! So, where do we go?

We go Home!

Therefore, I have courses. People want a very quick answer. I have developed several courses that will help understand this information. It is 10 years of study that I have gift wrapped into short courses.

Everyone leaves to their own land! (God is righteous in his warning. He is telling everyone to leave, not just some people.)

1. Jeremiah 15:16- "Cutoff of Babylon, the Sower and the reaper with his sickle at harvest because of the sword of the oppression let EVERYONE return to their own people. Let everyone flee to their own land.
2. Jeremiah 51:9- "We would have healed Babylon, but she cannot be healed lead. Let us leave her and each go to our own land for her judgment, reaches the skies. It rises as high as the heavens."

Yehovah's people GO HOME! Where's home? It's Israel.

1. Jeremiah 50:45:" In those days, and at that time, declares Yehovah, the people of Israel and the people of Judah together. We'll go in tears to seek the hope in their God.

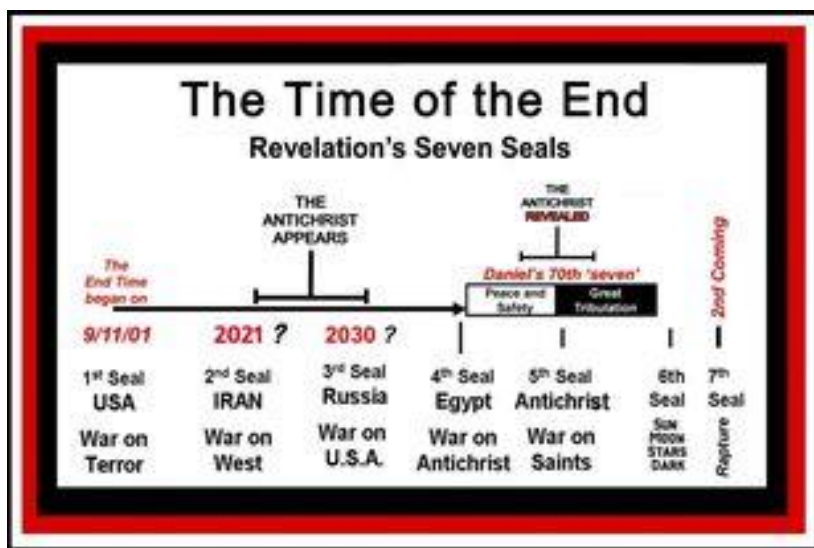

They will ask the way to Zion Israel and turn their faces towards it. They will come and bind themselves to Yehovah."

2. Jeremiah 51:10: "Yehovah has vindicated us. Come let us tell him Zion, what Yehovah our God has done."
3. Jeremiah 51:50- "You have escaped the sword, leave and do not linger! Remember Yehovah in a distant land and called the mind Jerusalem."

There you have it! those are just a few verses compared to much more that is in the school courses. This is just the highlights (the tip of the iceberg). Take the course and be part of the wise. Therefore, I've created this school. The heavy lifting has been done. You have a place to go, and you don't have to go through what I did. I'm giving it back!

God gave me a second chance to be the "lookout guy" (Watchman), and now I'm going to be the lookout guy doing the right thing with the right material. In the past, people always came to me for drugs. Everybody always knew I would get stuff done and I was reliable. However, God wanted me to do something different and this is what I'm doing, and this is what we're going to do now.

What happens after the third seal? As you can see,

there's a fourth seal war. This is when Egypt engages Antichrist. This war is right about the beginning of the last 7 years.

The Antichrist confirms a Covenant. This means that an agreement was reneged on or broken that was signed. How many of these agreements are made signed and broken? Well, you'll learn that too. The 5th seal is when Antichrist sets himself up in the temple. This is the last 3.5 years, and He begins to all who do not take the mark of the beast starting in Jerusalem. Another set up! Imagine that! Antichrist breaks that covenant. He confirms that at the beginning of the seven years, and then he breaks it at the last three and a half years.

We are already given this information. The sad thing is, is some people just aren't going to understand They're trying to tie this into what's going on now because of the false teaching of man. "This gospel of the kingdom must go into all the earth and Then the End will come"- Matthew 24:14. If you're getting this you've got work to do as we all have work to do.

Finally, we have the Second Coming and rapture when Christ comes again. Acts 3:21

The Rapture cannot happen Until:	
<p>The Rapture</p> <p>the Lord himself will <u>come down from heaven</u>, with a loud command, with the voice of the archangel and with the trumpet call of God, and the dead in Christ will rise first. After that, we who are still alive and are left will be <u>caught up</u> together with them in the clouds to meet the Lord in the air.</p> <p>1 Thess. 4:16-17</p>	<p>How</p> <p>Jesus will <u>come back</u> from <u>heaven</u> in the same way you have seen him go Acts 1:11</p> <p>When</p> <p>The Lord said to my Lord: 'Sit at my right hand <u>until</u> I make your enemies your footstool'</p> <p>Acts 2:34</p> <p>He must remain in heaven <u>until</u> the time comes for God to restore everything Acts 3:21</p>

“Christ must remain in heaven until the time to restore all things.” He is not coming until the time to restore all things. And that's when we'll be raptured. The school goes into All of this. I am just highlighting the main points of the Time of the End. Notice, there is not much talk about the Rapture because so many events (the seals) happen before we get to that point if we even make it that until the End.

CHAPTER FIVE

CHECKMATE

(PSALMS 33:10)

I am Yehovah, who foils the signs of the false prophets and makes fools of diviners, who overthrows the learning of the wise and turns it into nonsense, who carries out the words of His servants and fulfills the predictions of His messengers.

Isaiah 44:24-26

CHECKMATE!

CHECKMATE

*The Lord foils the plans of the nations;
he thwarts the purposes of the peoples.
But the plans of the Lord stand firm
forever, the purposes of his heart
through all generations*

Psalms 33:10-11

“

I am the LORD, the Maker of all things, who stretches out the heavens, who spreads out the earth by myself, who foils the signs of false prophets and makes fools of diviners, who overthrows the learning of the wise and turns it into nonsense, who carries out the words of his servants and fulfills the predictions of his messengers” (Isaiah 44:24-26)

So many people focus on “just the last 7 years”. Look at what we are covering. Right in front of our eyes. Nobody can see it. They’re all asleep. Checkmate! No matter where you are at in the Time of the End, you will be Checkmated! This means you cannot run from God’s plan! So, you might as well learn it and follow it. Psalm 33:10- “The Lord foils the plans of the nations, which can also mean checkmate. He thwarts the purposes of the people. The plans of the Lord stand firm forever, the purposes of his heart throughout all generations.” There is nothing man can do to change God’s plans!

If you don't know God's plans, you're going to get obliterated. No one is telling you this, but God's given me a second chance. We're going to blast this message! This is the reason the school exists. And we're going to go into that here shortly. I truly believe my story parallel's the Time of the End message and the many set ups and take downs of the nations!

I will never forget what happened in my life. Every day the story plays over and over in my mind. I also had a celebration moment thinking that everything was going to be okay. Well, no, it's not knowing what I know now, I feel obligated to share because I see how God directed the whole process. Everything comes full circle!

That's what I was after the whole time. When my pastor said that I would never have a ministry, now I say “Here, hold my beer!” The point is that I had to go through a process to learn. I had to have an experience.

That's what people are missing. They're missing the process. People want the result (product) without the work. They don't even want to study. They're missing everything. You have got to fall in love with the process. When you fall in love with the PROCESS rather than the PRODUCT you don't have to wait to experience happiness. You can be satisfied anytime your system is running. And when you fall in love with it, you're going to fall in love with God's word and God's plan. It's going to make the whole world of difference. Start today to begin your journey (process) through the Time of the End!

I've already talked about King's name and story. That's a process that took seven times to become clean. Sometimes you must go through a dirty process to get clean. Just like we're going to go through a kind of a crazy End Time journey, but we're going to get clean. I don't push things so hard on people at first because it is just starting the process. When I train my personal training clients the last thing you want to do is put a lot of responsibility on them. But they at least must start with something! I just want them to follow God's plan.

Why would God have a plan like this? If he didn't already know that people were this messed up? God understood the condition of the world is so bad that He designed a specific plan to follow and share to get everyone back on the right track. Don't make this harder than it is. Trust and obey!

CHAPTER SIX

NOW IS THE PROPER TIME TO GIVE GOD'S PEOPLE FOOD AT THE PROPER TIME!

We do not need to argue, we just need to do this! I started by

selling drugs, then I helped people train and get healthy, from there I delivered food, which sometimes I still do. Now I deliver the “Food at the Proper Time” (End Time Prophecy). This is now my only desire in life, and this is what I do and why I do it. This is the whole reason I wrote the book and created my school. I’ve set it up to push, push, push!

Now is the proper time! Psalm 145:15: “Everyone looks to God to give them their food at the proper time.” Ecclesiastes 8:5-6: “Whoever obeys his commands will come to no harm and the wise will know the proper time. There is a proper time for every matter, especially the End Time.”

Matthew 24:45: “Who is the faithful pastor who God has put in charge of his church to give them their food at the proper time”. God had to pick somebody else besides the pastors who were hiding the message. So, God sends a Watchman. I had the experience in the church I spoke of earlier in this book. However, I continued to seek God and God gave me the message that I was looking for in an amazing way. He did it through

a personal experience that I could later in life relate to the End Time message that I am presenting you.

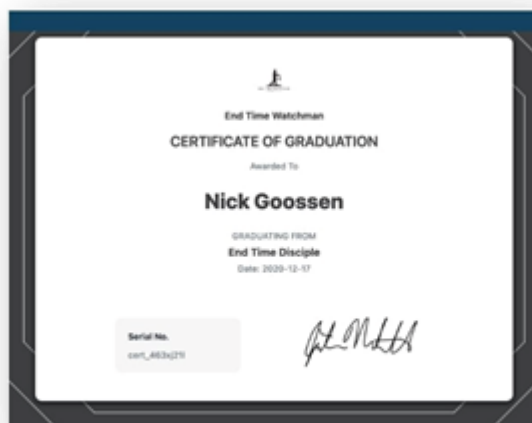

That's why I call myself End Time Watchman. I'm very glad that I went through the process so that you guys didn't have to. We have the information we need now and a school and system set up to share the message. You guys don't have to be like me and you don't have to seek blindly for the answers. You have a place to come now, grow and share. This is what the school all about. I switched my desires from hooking people up with drugs, to now handing out and teaching the truth that God gave me.

It was my understanding from what God points out in scriptures that we need some sort of way to present this message and information. Daniel 11: 33- "The wise will instruct many during the time of the End." With how the world went online during the Coronavirus, many people began to promote online courses and schools for learning. It makes sense! Honestly there is really no easy way to get out 10 years' worth of study. I've had a lot of people ask questions, expecting a very short answer. The difference with this message is that it is new material that requires deep study. One question generates another question and so forth. The only way to truly get the answers you are looking for is to see the study all the way through. You have to see the big picture.

The facts are we have billions of people to reach with this message. I feel that the school that I created at www.endtimewatchman.com has the po-

tential to do just that. The school is online and is set up for many administrators. I have books, courses, memberships, workshops, guest speaking, seminars, partnerships and live events. Not only is the school a place to learn but also a place to share and evangelize to the world. This is all part of our Affiliate program. We have weekly zooms where we teach people how to build their own groups. This is also where we also teach others the message by leading them through a presentation. Daily outreaches are a part of our online evangelism. We also provide a library full of memes and videos to help get the message out. I will be able to show others how to combat false teaching and correctly use scripture to counter them. Occasionally we have short presentations to learn more about the Bible. The goal is to be able to teach and train up more and more people to do the same things we teach with their own groups. We do all this while providing continuous education and up to date material for all the affiliates. When you become an affiliate you have access to the same school, links and material that we provide to reach the world with efficiency. Upon completing our courses each student will receive a “certificate of completion” for that particular course.

The fact is almost all people missed this opportunity to keep watch outside of a select very few. We are doing our best to have this all ready for

you so when the time comes it will be almost all plug-and-play. All the heavy lifting has been done and now you can just enjoy the benefit of it.

This is an investment that will reap eternal rewards! It is time to remove all the blocks and barriers and breakthrough! If I had never hired a business coach, I would not be where I am today. My coach would always ask me, "Justin, what do you want?" Truthfully most people don't even know what they want. Everyone has a personal story that they are hiding from people. The facts are there is a story within each believer. All you have to do is remove the blocks, the block of un-belief. It's true faith that produces works or actions. It's when the head and the heart are aligned and agree. From there your faith moves to action, and you produce results.

The problem is when your head and your heart do not agree you remain paralyzed. This is why people are where they are at. Jeremiah 29:13: "You will find me when you seek me with your whole heart." John 14:29- "I have told you now, before it happens, so when it does happen, you will believe!" Mark 13:23- "Be on your guard I've told you everything ahead of time!".

I'm showing you something that you probably are not going to see unless you earnestly seek and do the study. I'm trying to use a parallel with my life to help you see it from a personal point of view. This parallel is the same thing that is going on with believers right now in the Time of the End. I'm glad I went through all my experiences and process. I'm glad I've been blessed enough that I can give it back. Daniel 11:33- "At the time of the end, the wise will instruct many."

The conclusion is this. This is a no-brainer. The heavy lifting has been done as well as the study. People weren't paying attention so God sent Watchman to get things back on track. All you have to do is plug and play. We've put it all together and now we just need your help.

CHAPTER SEVEN

SUMMARY: WHAT CAN WE
LEARN?

The Time of the End

Revelation's 7 Seal Prophecies

The 2nd Seal IRAN WAR is next. Then All Christians Wake Up to End Time Prophecy and the Messiah's soon return!

What is the summary conclusion? What is something that we

can learn and take with us? We know from Matthew 24:14 that “this gospel, the kingdom will be proclaimed through the whole world as a testimony to all nations and then the end will come.” Mark 13:23- “Be on your guard, I have told you everything ahead of time.” We needed to learn. Why couldn’t His people stay awake?

Keep Watch for One Hour!

**Yeshua, 'Are you asleep? Couldn't you
keep watch for one hour?' Matthew 14:37
Since you have stayed awake and kept
my commands, I will protect you during
the hour of trial that is coming on the
whole world. from Revelation 3:10
So then, let us not be like others, who
are asleep, but let us be awake and
keep watch. from 1 Thessalonians 5:6**

We must pay attention! Even when this next event happens (2nd seal of Revelation), if you don't go back to your Bible and seek the Holy Spirit, you're going to be one of the foolish and get shut out of the Kingdom. It's set up after set up after set up. You can't be on your guard if you don't know what to look for. God has given us these set ups and how they happen so that we can respond correctly. How does God destroy nations and

protect His people without blowing the cover off? He hides a message for the Wise only and tells them to leave at a specific time!

Deception is eating people alive. How can you be on your guard if you don't know what to look for? That's the question! You can't! I couldn't either, because I didn't know what to look for. Now I know what to look for both in setups and in God's End time set up! I am blasting this! Be one of the wise that instructs many! Help me get the message out to the world.

Even though I went through the bad times by getting rejected from my church, school and family God meant it for good. Romans 8:28- "We know that all things work together for good to them that love God and who are the called according to His purpose, put all this together. It all work together for good.

Let's wrap up with My School explanatory message. "Welcome to End Time Watchman! In the gospels Christ warned that the End Time Pastor would be hiding the message "food at the proper time" from the flock. Christ said in Matthew 25:1-7, that at the Time of the End, All Christians, churches would be asleep and that all would wake up and realize that Christ was coming back. Five or wise and five were foolish.

The five that were wise took oil in their lamps along the journey. The five that were foolish did not and were shut out of the kingdom. At End Time Watchman, we provide all the tools and study you need to instruct others during the Time of the End. Daniel 11:33 says at the Time of the End, the wise will instruct many.

If you would like to be one of the wise and help others understand the entire message that God has revealed contact us today and we will help you get started on learning and teaching End Time Prophecy to God's people."

The time of the End has come, our journey begins! The time to turn from the teachings and traditions of men and back to God. We are going to continue to roll out more courses. We're going to continue to teach everybody and we're going to continue to proclaim the gospel of the kingdom.

I hope this book and short message has been a help to you. I have not been able to include the whole 10-year study but rather just some important highlights. I hope that my life's perspective is helpful on seeing how God can do anything and how He plans to deal with taking down the world.

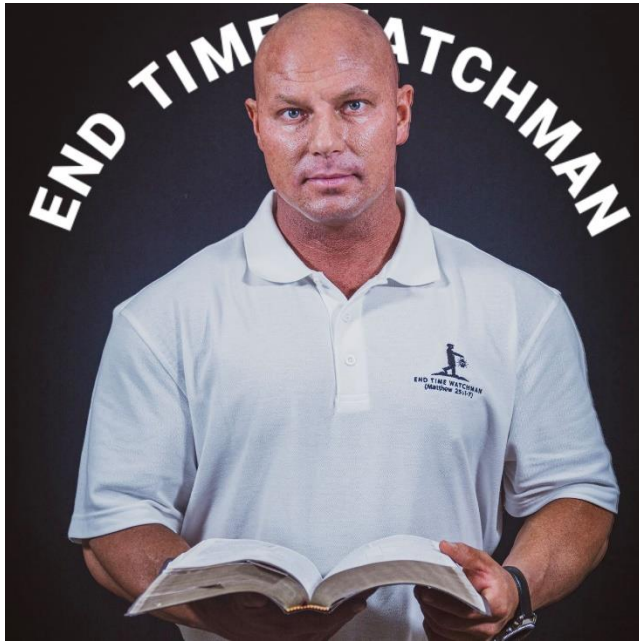

1. If you are reading this before the Iran war.
2. If you are reading this after the Iran war.
3. No matter where you are at in the Time of the End, you still have time to respond to God's word.

John 14:29- "I have told you these things before it happens, so that when it does, you will believe!"
