Inspiring quotes:

Things that make me happy.

Go into yourself. Find out the reason that commands you to write; see whether it has spread its roots into the very depths of your heart; confess to yourself whether you would have to die if you were forbidden to write.

Rainer Maria Rilke

Don't think about making art, just get it done. Let everyone else decide if it's good or bad, whether they love it or hate it. While they are deciding, make even more art.

Andy Warhol

If you're to create something powerful and important, you must at the very least be driven by an equally powerful inner force.
