Mr. Christopher Daniel Nolan
5511 Southall Drive SW, Unit C
Bolling AFB, DC 20032

Dear Mr. Nolan:

Your credentials have been evaluated and the Coast Guard has determined that you are eligible for recognition as a Qualified Assessor. Your QA ID is 562.

You are authorized to conduct assessments of competence and to sign a candidate's Record of Assessment or Training Record Book for the STCW Endorsements contained in the enclosure. This designation is not valid unless accompanied by the enclosure.

In performing your function as a Qualified Assessor, you may only use your signature or initials to indicate you have personally witnessed the demonstration of a skill or ability by the person being assessed and have found that individual, in your professional judgment, to be competent under the relevant criteria. This letter will be revoked if you sign or initial a statement attesting to an individual's competence without having personally witnessed a practical demonstration of the individual's skill or ability, which in your professional judgment, meets an acceptable level of performance.

This approval is effective April 1, 2022 and expires on April 30, 2027. At the time of renewal, you should be prepared to submit evidence of your continued ability to assess the competence of STCW candidates.

The U. S. Coast Guard is placing a great deal of trust in your professional competence, judgment, veracity, and behavior, and we greatly appreciate your willingness to serve as a Qualified Assessor. This role is critical to maintaining a high professional standard among U. S. mariners.

Your opinion matters to us, and the NMC is committed to providing you with excellent customer service. Your feedback will be used to guide our efforts to improve the Mariner Credentialing Program. All information will be kept confidential.
