

# How Should You Teach It?

---

---

---

---

---

---

## Be strategic

You need to consider how kids learn best, not which is the easiest way to teach them

---

---

---

---

---

---

When it comes to learning, experience & play rule the day!

---

---

---

---

---

---

## Learning through play

---

---

---

---

---

---

## Cultivate teachable moments

- Take advantage when they arise
- Create teachable moments

---

---

---

---

---

---

## Use experiences kids can relate to

---

---

---

---

---

---

Let your  
kids **FAIL**

---

---

---

---

---

---

**Non-catastrophic  
painful failure**

Making mistakes can actually be a powerful motivating force behind growth and a critical money rule for kids to learn

---

---

---

---

---

---

**Be the person  
you want your  
kids to become**
